

## Bakeries, Confectioners & Pastrycooks

<http://www.pomeroyofportsmouth.uk/portsmouth-local-history.html>

In the early directories there is no distinction between the three categories as often they engaged in all three forms of cooking, so bread, cakes, pastries might all be carried out on the same premises. Later the term confectioner changed to those running sweetshops. Note the addresses are not necessarily bakeries they could be the private houses. Some addresses are lockup shops so are not in the census.
