Joey Murphy: writer, **'Mad Monster Party'** remake Motion Picture,

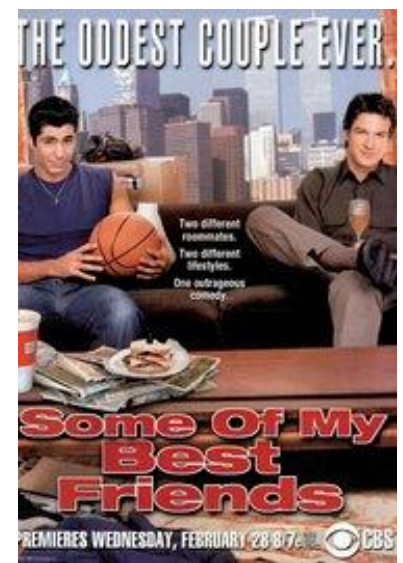

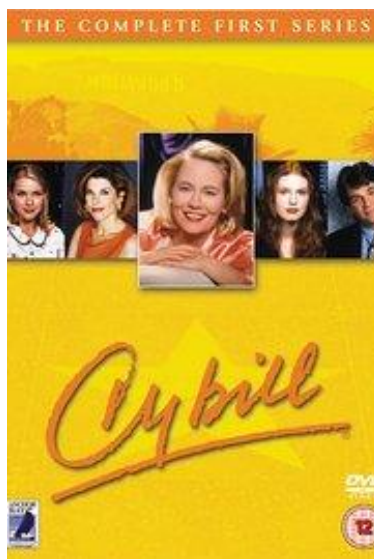

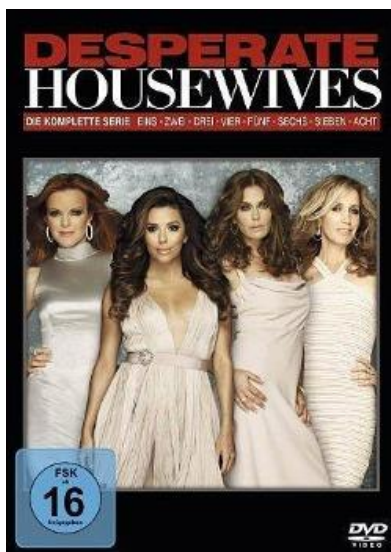

is screenwriter and television producer, and executive producer for *Desperate Housewives*.

Murphy has written episodes of the cartoon, *Doug*, *The Crew*, and Cybill Shepherd's sitcom, *Cybill*, the last two for which he also served as producer. He also collaborated with Marc Cherry on the sitcom, *The Five Mrs. Buchanans*.

When *Desperate Housewives* began, Murphy was one of the staff writers, and for the second year, he was promoted to co-executive producer. Starting with the first episode of season four, he later became executive producer.

Throughout his career, Murphy has worked with John Pardee, and the two also have written the script to the upcoming

remake of **'Mad Monster Party'**.
