

*Please read below to see how you can get your deposit taken care of
so that your dancer gets a costume ordered!*

These are the 2 different options for payment of costumes:

1. You can pay the entire balance of the costume upfront by October 23rd (depending the day your dancer attends class). Your dancer's total costume price is **\$40.00**. You can pay in person on the 23rd or notify us that you'd like us to charge your card on file. We also have a studio venmo account (@thedancespotutah).

2. You can pay half of the balance on October 23rd (**\$20.00**) and the remainder of the balance when the costume arrives (**\$20.00**).

We will place the order for costumes immediately to ensure that they arrive in time for the Christmas Show. Failure to pay the deposit by the above date will result in a delayed costume.

Dancers' measurements will be taken during class time to select the size of costume. We will NOT try on the costume at the studio when it arrives. Please try on the costume ASAP and let us know if there are any size discrepancies so we can get it taken care of immediately.

You dancer will wear **a black shirt, black pants/leggings and mostly black street shoes** with their costume. We do not expect you to purchase those new, feel free to use something you already have! We will only order the jersey portion of the costume, the rest you will need to come up with.

Hair style for performance and pictures is at your discretion.

Dancers will wear this costume for the TDS Christmas Show (**December 21st**), End of Year Showcase (**May 29th**) and Spring Pictures (**Date TBA**).

Any other questions regarding costumes, please feel free to ask!

Please return the portion below to the office by October 23rd. You can provide the below information in an email or text correspondence. You may keep the above portion for your records.

Dancer's Name: _____

Class day and time: _____

Select your desired payment plan:

- ☐ I will pay the entire balance of the costume upfront on **October 23rd**. My dancer's total costume price is **\$40.00**.
