Quotes:

“She is genuinely happy when others around her succeed. Mary has helped everyone on each tennis team I’ve coached, a chief characteristic that takes time and sacrifice to develop. These are the traits of a leader, and those very much appreciated by myself as her coach. For this and other reasons, Mary in my opinion is a great leader.” **Garry S. Lucas** - Painter/Tennis Coach

“When I received notice of the scholarship, I felt overjoyed and proud. I was very young when my father served in the Navy, but I realize his sacrifices have made me eligible for your scholarship. I am very grateful for your support and hope that one day I will be able to support others the way that you supported me. Thank you for your assistance with this and your future support of Anchor Scholarship Foundation.” **Mary**
