

Hello, everyone! Hope you're having a great week so far.

Last Friday, we focused on famous female artists: Frida Kahlo (multi-media artist), Gertrude Vanderbilt Whitney (sculptor), and Debbie Allen (dancer). For each, we did a corresponding activity. The girls created sculptures with candy, played Freeze Dance, and made portraits of themselves or someone else in the classroom.

Our next session is on 10/25.

Thank you!
