You are enrolled in a Delta Dental PPO plus Premier plan. You and your family members may visit any licensed dentist, but will enjoy the greatest out-of-pocket savings if you see a Delta Dental PPO dentist. There are three levels of dentists to choose from.

PPO Dentist - Payment is based on the PPO dentist's allowable fee, or the actual fee charged, whichever is less.

Premier Dentist - Payment is based on the Premier Maximum Plan Allowance (MPA), or the fee actually charged, whichever is less.

***Non-Participating Dentist** – Payment is based on the non-participating Maximum Plan Allowance. Members are responsible for the difference between the non-participating MPA and the full fee charged by the dentist. You will receive the best benefit by choosing a PPO dentist.

Members may add coverage once a year at Open Enrollment. Coverage may only be dropped by an employee or dependent with proof of qualifying event. This is a brief description of services covered under your dental plan. Please refer to the Plan Document for full plan details. If differences exist between this summary and the Plan Document, the Plan Document will govern. 02/01/2020
