

Clarion

March 2021

I am pleased to report that we now have a bookkeeper and she has done a great job straightening out my amateur efforts. Kudos and heartfelt thanks to Karen.

I am also very pleased to report that we are finally beginning the remodeling process at Camp Centurion. The week of March 15th through 19th will be spent framing the new interior walls. Our contractor, Greg Dimmer, has called for volunteers with framing experience. Please let us know if you can help frame by sending an email to Centurion@CampCenturion.org.

The American Heroes Catfish Tournament will be held on Saturday, April 17th & will launch from South Point ramp (Belmont).

All money raised will go to Camp Centurion. Several boat captains have volunteered to take veterans on their boats. There is no entry fee for veterans. Vets, this is an opportunity to go fishing and support Camp Centurion. Call James Smith (704) 600-8369 for details.

March 2021

March 27th is spring clean-up day at Camp Centurion. We need volunteers to help pick-up, clean-up & trim-up the grounds. Again, please respond with an email so we will know how many will be there.

I'd like to give a shout-out to the vets of the Combat Veterans Motorcycle Association Chapter 15-2 in Charlotte. I enjoyed the comradery of other combat vets and they made this old jarhead feel right at home. They also made a generous donation to Camp Centurion and have our sincere thanks.

We also received a very generous donation from Holy Trinity Lutheran Church. They have been helping us for some time and we truly appreciate them.

We want to give a special thanks to all our volunteers and donors. Over half our donations come from veterans and veteran organizations. If you are a veteran, you have joined with your fellow vets in leaving no man behind. If you never served in the military, by your service and your donation, you are meeting the needs of those who served you.

Yet, there remains much to be done and we can't do it without you. Please visit www.CampCenturion.org or Camp Centurion, on Facebook, and catch the vision.

Thank you,

Ivan (Bud) Strobe
President, Camp Centurion
