President's Message

September is just about here. Time to start thinking about Fall activities, but before that, I want to thank Bill & Martha Downing and Arlene Kubat for another amazing club picnic. Although it was hot, there was a nice breeze blowing under the Pavilion. There was rain on the way home but it did not show up at the picnic. Former club members Dennis and Gail Chirico stopped by to see old friends. It was good to see them.

Good news that Alec is home now. He is still taking it slow and will recover soon. We all miss you .

Convention plans are going very well.. All chair people are in place and will be asking for your help and input soon. Please help when and where you can. Our bank account is set up and we have received our start up money from CTCL. Paul Schroll is the Convention Treasurer and I am co-signer on the account.

Labor day will be here before you know it. A lot of members will be going to one of the big events. Lead East "50's" 5 day party Aug 31 to Sept 4 in Parsippany or the Deadman's Curve " Wild Hot Rod Weekend" in Mahwah Sept 1 to 4. Which ever you choose go for 1 day or the whole thing have a safe and happy time.

Then comes the San Diego Convention. A few members will be driving Rich M. ,Bill & Donna J., Walter S. & John B. and Paul S. riding shotgun with Rich. Several others including myself will be going by plane. Safe trip to all.

Soon after that Phil and Dorothy Guidone have arranged a great Fall Colors cruise, so don't put those T Birds away yet.

Pat Le Strange

A few Words From Alec

First off, I would like to thank all of my friends and fellow club members for all of their cards and get well wishes during my recent illness. 2 1/2 weeks in critical care unit and 3 weeks in acute care in rehab. I have a period of recovery to get back to where I was before this incident.

Again, I want to thank everyone for the many good wishes. I'm looking forward to see everyone at future club meetings

Because of his health issues, Alec has resigned as co-editor. Alec has worked on the newsletter when Pat was doing it and has helped me a lot, especially when I first started doing it. I wish Alec good health and a long life, and say Thank You.

August Meeting Meeting

There was a brief meeting at the picnic site. A motion was made to dispense with any business which was seconded and passed. The meeting was then closed.

The Picnic

Vice President's Message

It has been very hot, finally this week it's a lot better, at least for a few days anyway. Within the last two weeks cruise nights have been cancelled due to heat. Try to get the little birds out this week and enjoy.

I have not heard on how Bob Belli is doing, all I know is back in Pennsylvania. Alec is home from rehab. He is doing better, but has a long road ahead of him. Alec get better soon, we all miss you.

Our yearly family picnic was once again a fun day. I know Bill put an article in this newsletter about the picnic, so if you were unable to attend you can read about it. It was very hot, but thanks to Pat and Joanne they brought fans and we stayed under the pavilions, so it was very comfortable. I want to say thank you to Bill and Martha for such an incredible day. Also thank you ladies who made salads, etc. everything was delicious. Thank you to our chefs, Joe Seville, Phil Guidone and Ron Case. You guys did great. Of course a thank you to our very own DJ, Pat.

I cannot believe that the San Diego International Convention is upon us. Some of our members will be driving to California, Rich Martin and Paul Schroll will be driving together in Rich's car, Walter and Marianne, Donna and Bill Jesse and John Bolger. Have a safe trip and the rest of us will meet you there. I believe there is about 14 members attending. I am sure we will have a great time.

Fall will be here before you know it. Phil and Dorothy have planned another great cruise for us on October 16th.

Nominations for Vice President and Treasurer will be in October and November will be election of officers.

Before you know it, it will be time for our Christmas party, December 3rd.

We are moving right along with the Regional Convention we are hosting in July, 2017. I am Chairperson for volunteers. If you have not already signed up to volunteer your time, please email and let me know if you want to volunteer and what days and times would be best for you. All committees will need volunteers. Thank you.

Have a safe and happy Labor Day. See you soon
Arlene

The 2017 Convention

Pre-Registrations are officially open. The Pre-Registration form is posted on the club website (on the 2017 Convention page).

Picnic

While threats of rain limited the number of Birds at the club's annual picnic to seven, members still turned out in full force with a total of 64 members and guests in attendance, including former members Dennis and Gail Chirico. Although it didn't rain it was hot and humid, a mild breeze and the portable fans Pat and Joanne brought helped make the pavilion comfortable.

As usual there was plenty of food and plenty of help. Arlene did a great job arranging for salads and shopping for the club-supplied items. Special thanks to Ron Case, Joe Saville, John Pyrros and Phil Guidone who despite the heat took care of all of the cooking.

There were a number of contests this year starting with a car trivia contest for the men and a candy trivia contest for the ladies. Henry Semmler had the most correct answers for the men's trivia and Linda Antenucci had the most correct answers for the ladies trivia. Thanks to Paul Adamoff for supplying prizes.

The events continued with a baking contest, this year featuring cookies. Linda Antenucci was the big winner with her coconut-cherry cookies with almonds, Judy Semmler's Thumb Print Cookies came in second.

Steve Handy and Walter Strohmaier outlasted eight other teams in the egg toss contest.

The men redeemed themselves in the 50's/60's trivia contest besting the ladies 22 to 14 after getting shellacked 34 to 40 last time out.

All in all a great day, with great food and great friends!

Bill Downing
