

PRESENTS: *Animal Sheltering  
for Professionals*

Raleigh, NC

Wednesday, May 15, 2019

**Instructor:**

Sandra Strong, DVM  
Chief Veterinarian  
Environmental Services/Animal Services  
Wake County Animal Center  
Raleigh, NC

**Target Audience:**

Shelter professionals including Kennel Attendants, Veterinary Personnel, Animal Control Officers, Law Enforcement and others who work as volunteers in the animal welfare profession.

**Course Overview:**

Course is designed to educate and inform animal care professionals about basic animal sheltering. Topics will include ASV Standards of Care, Sanitation and disease prevention, intake processing, an overview of common diseases, and more.
