

Goulds Recreation

2022

Hello and a huge welcome to those interested in our Mini Soccer Program! Running a soccer program is very new to Goulds Recreation. It has been 20+ years since Goulds Rec ran a soccer program! It has always been run by a group of dedicated parent volunteers who formed an Association. Based on the fact that Goulds Rec is definitely rusty in this area and that we were not anticipating to have to operate a soccer program this summer, we decided that it would be best to start small. We put much value into our program planning and want to ensure that what we offer are quality programs. Our past two summers were greatly impacted by the COVID-19 pandemic. And while those summers were quite challenging, they also opened our eyes to some great program measures that we will be carrying forward with our programs. Our priority is to still provide a safe and fun environment for our participants, while offering quality programming. If you have any questions, do not hesitate to contact us at gouldsrecinfo@gmail.com or by phone at 745-7575. If your questions revolve around a confidential nature, please contact our Recreation Coordinator, Nicole, through email at gouldsrecreation@gmail.com or by phone at 745-7504.

We hosted a Community Soccer Meeting in May for any parents who were interested in volunteering their time to a soccer program in the Goulds. We had very low attendance at this meeting, but at the same time, we had parents who are willing to give some of their time to the program. Our program is based on our number of committed volunteers and the age range of their children.

AGES of CHILDREN: Our program is open to children ages 4-7years. Children MUST be turning 4 in the 2022 year and have or will be turning 7 in the 2022 year. The program will be broken up into two age groups, 4-5 and 6-7.

***This program is a family program, meaning that adult family members who may attend the program with your child will also need to be registered. More details on that below.*

REGISTRATION: Registration will start 9am, Wednesday, June 1st, 2022.

Where to find the link:

- www.gouldsrecreation.com and click on **Soccer Registration**
- Goulds Recreation Facebook Page will have a current post containing link

Please ensure that when you register on-line, you put in the correct contact information. Under the contact information section is where the parent or legal guardian puts their information. Under child registration is where you put the required information on your child. Please note that email under child registration will be the parent/guardian's email again. We are unable to bypass this request. Under additional adult, please consider all adults that may take your child to the program and stay with them. All adults must be registered. They will be considered a participant of the program.

TENTATIVE SCHEDULE: Program will be 8 weeks, starting July 7th and ending August 25th.
Both age groups will meet on the Mini pitches on Thursdays, from 6-7.
This schedule can change at any point due to registration numbers, and other factors based around the current COVID-19 Pandemic.

COST: \$20/family

Fee must be paid by June 23rd (two weeks prior to program start time). Refunds will not be issued passed the June 23rd date. All refunds for Goulds Rec programs will be subject to a \$15 administration fee. Full refunds will only be issued if Goulds Rec cancels a program/event.

PROGRAM ACTIVITIES:

- Program will be an outdoor program and at least 1 parent/guardian must stay on site with your child.
- The program will consist of fundamental movements of soccer, with age appropriate skill development incorporated into fun games, which will be led by our volunteer parents and possible one of our summer day camp counselors.
- The program is meant to have a social component, of very low risk, with registered parents/guardians directly involved. However, if any adult is not comfortable in fully participating in the program, that is totally fine!
- We will provide all equipment necessary. Equipment will be sanitized prior to and after a session.
- Regular handwashing/bathroom routines will be in place as part of the daily routine. We strongly recommend that you encourage your child to use the washroom before coming to the program. The closest washrooms are the public washroom by the skate park. This walk can take away a good portion of your hour program.
- We will end this program with a little year end social on the field for everyone involved with the program!

Drop-off is NOT an option for this program under any circumstances.

Goulds Recreation Association is committed to providing quality programs that promote positive social, cognitive, physical and emotional development. Based on this, we want to ensure that there is a mutual understanding of what is acceptable behaviour and unacceptable behaviour. Our staff will take every reasonable effort to ensure meaningful participation. Please read our guidelines for acceptable and unacceptable behaviours.

ACCEPTABLE BEHAVIOURS: Goulds Recreation counselors/staff, patrons, participants and guardians are expected to exhibit the following behaviour while participating in programs and services:

- respect	- kindness	- safety
- honesty	- responsibility	- healthy choices

UNACCEPTABLE BEHAVIOR: behaviour with the intent to harm others, property or which would otherwise negatively impact program quality is unacceptable and will not be tolerated. The group will review daily behaviour expectations in the form of "Promises". Counselors will use discretion to take appropriate action if unacceptable behaviour occurs. Our general process of addressing unacceptable behaviour is as follows:

- Unacceptable behaviour will be discussed with the participant

- Depending on behaviour, parent/guardian of the participant will be notified of the unacceptable behaviour and may be asked to arrange immediate pick-up of the participant.

First occurrence: Lead staff and/or Rec Coordinator will work with the participants and Parent/Guardian (if applicable) to identify solutions to assist the participant in displaying expected behaviours in the future.

Second occurrence: The participant may be re-introduced to the program following a meeting, with parents/guardians (if applicable) to establish an individualized plan to prevent further unacceptable behaviour and encourage positive behaviour

Third occurrence: The participant may be removed from the program on a part-time or full-time basis.

If Goulds Recreation is unable to ensure the safety and well-being of patrons, participants, other, the security of property or program quality, we reserve the right to remove the patron/participant displaying unacceptable behaviour from the program or area.
