additional items will be available for all players and parents to purchase on signing day

Please note: only Mizuno spandex, socks and team jerseys may be worn during matches, if you choose to purchase only the minimum number required - please note that you will still be expected to wear those required Mizuno pieces each day of every tournament. Team members are required to have all items listed above for every tournament - only Eastern Elite warm-ups and t-shirts may be worn to, during and from tournaments. Practice shirts are required for all practices. If you are a returning player you may use last year's items if they are in good condition.

Black volleyball shoes are required for all players. They will be available for purchase on signing day for your convenience - but you can purchase any brand (as long as they are the color black) from the retailer of your choice. Eastern Elite also suggests that our players wear ankle braces for practice and competition.
