If you played for Eastern Elite last season, there are no changes or additions to uniform packages this season with the exception of the new warm-ups and required face mask.

* only Mizuno spandex, socks and team jerseys may be worn during matches, if you choose to purchase only the minimum number required - please note that you will still be expected to wear those required Mizuno pieces each day of every tournament. Only Eastern Elite warm-ups may be worn to and from tournaments.

Black volleyball shoes are required for all players. They will be available for purchase on signing day for your convenience - but you can purchase any brand (as long as they are the color black) from the retailer of your choice. Eastern Elite also suggests that our players wear ankle braces for practice and competition.

Uniforms are purchased by the player and their family directly through our Mizuno representative on signing day.
