Balentina, born on May 8, 1845 in Tome'; Gertrudis, who married Marcos Jaramillo on February 20, 1853).

NOTE: It is interesting that Juan Francisco Moya and Louisa Duran are documented as the godparents at the baptism of a Christobal Moya on October 4, 1753, Spanish, with unknown parents. Could they have raised this child as their own? There is no record of this Christobal following this baptism. If he lived with them and went to Carnuel with the family, it is possible that he was killed there by the Indians. And, it is possible that the Cristoval, born to Juan Francisco Antonio Moya (see below) was named after Juan Francisco Antonio's "brother". Cristoval married on March 19, 1811 and died on September 30, 1813 leaving two small children. We only have record of one of them, Maria Gertrudis.
