INTERNATIONAL MOUNTED PATROL TRAINING AND TACTICS, LLC

Come join us for an interactive clinic on keeping yourself safe in the saddle. We all enjoy our beautiful trail system but unfortunately there can be some unsavory characters about. Can you avoid the situation? What do you do in the event someone tries to put hands on you? Bring your horse or just come by and learn some time-tested techniques to keep yourself safe. The clinic emphasizes the partnership between horse and rider, balance, and confidence.
