Shearwater Falls Products

Your skin is your body's largest organ and deserves some TLC. Shearwater Falls can help you provide skin the most luxurious care. Give yourself an all-over body pampering with unscented **Skin Cream** for normal to dry skin. Cocoa butter and jojoba absorb quickly for super soft skin. **Cocoa-Shea Butter** is great for extremely dry skin, cuticles, knees, or elbows. Similar to gardener's hand cream, **Natural Barrier Cream** is perfect for often-washed hands and very dry, cracked skin. Beeswax and coconut oil provide a layer of long-lasting protection. As we age, skin can begin to tell tales, so we created **Rejuvenator** to nourish dry, crêpey skin. It works best when applied to damp skin to give your skin a lift from the neck down. We do not recommend using any of the above creams as face cream.

Petal Perfect Face Cream will make the delicate skin of your face feel soft and supple. A drop of our decadent **Eye Serum** helps to erase fine lines and tightness around the eyes. **Lip Balm** is formulated with mango butter and other emollients for the softest, smoothest lips. Shearwater Falls **Spotless Mask** is perfect for normalizing oily skin without leaving it dry. It can even be used as a spot treatment for acne.

For gentlemen who sport facial hair, we created **Beard Balm**. It leaves beards soft, smoothed, and conditioned. For those who do not, we introduce **Shaving Soap** for the best shave ever. You get a close, clean shave and can forget about razor burn. Scent and size options are available.

Concentrated **Shower Gel** is the best way to start or end your day; it leaves your skin soft and smooth. Peppermint refreshes your senses while Lavender calms. For the many times a day we wash hands, **Liquid Soap** is perfect. It cleans, kills germs and the moisturizing formula is gentle enough to use on your entire body.

When your feet are tired and achy, Shearwater Falls has solutions. Use **Treat Your Feet Cream** to soften even the worst calluses. The bright minty scent will refresh and cool feet. For even achier feet, we now offer **Neuropathy Foot Cream** to ease pain with St. John's Wort and other essential oils.

Dancing Dog's Dry Powder Shampoo is the perfect way to dry clean your best friend. In the time it takes to brush your pet, you can remove dirt and dander, leaving your pet smelling fresh and clean.

Dancing Dog's Shampoo is the best way to clean your pup thoroughly. This shampoo moisturizes your pet's hair and skin, while leaving them smelling fresh and clean.
