Exciting News!

Civic & Commerce is now located in the
lower part of the Lisbon Public Library. We
couldn't be more excited to be near a
pivotal organization in our community as

well as out front for all to see.

With the COVID-19 pandemic, our office is currently closed to the public but we look forward to visits soon as well as holding our member meetings there each month.

Business of the Month

Moving forward, we will be posting a video on Facebook with the business of the month, randomly selected from a big wheel of names.

All C&C Members will be included in this drawing, BUT if you've already been selected this year- your company name will be taken out of the wheel.

And this month's winner is...**Xtreme Fitness**

Xtreme Fitness is a locally-owned fitness center with normal hours of 24/7. Xtreme offers a great atmosphere for Lisbon residents to get moving!

Check out their location right on Main Street and call 701-308-0045 for more information or [like them on](#)

What's Happening in April?

Have you met Husky and Penguin from Hammelton on Main?

(If not, make sure to check out their [Facebook album!](#))

They ran into some old friends and have passed the torch of adventuring to local businesses that are still open in some way, shape or form.

If you would like this Mario crew to come visit YOU, please email us at lisbonnd@drtel.net with the following information and we will promote

your business on our [Facebook page](#):

- Business Name
- Business Location
- Are you still open during COVID crisis and if so, what hours?
- What else are you doing differently to still serve your community of Lisbon ND?

Thanks goes out to Teena Elijah for starting this virtual way of promoting the amazing businesses in our town and for venturing out, physically and creatively during these strange and unprecedented times.

April 9 | 11:00 Call: “NEW CARES Act Guidance to Assist Your Business”

To receive call-in information, [attendees must register as a non-member](#). A confirmation email with call specifics will be sent to the email provided in the registration prior to the call.

This call will be recorded so it can be accessed at a later time. Recordings of the previous Business Briefings can be found [here](#).

School Supplies Drop Off and Pick up

While local families are adjusting to home schooling, Creekside Repair (located in the old Berube’s building) is opening up a school supply drop off and pick up area within their front office.

If you would like to donate to this cause, please contact Karla at 701-680-8981 to coordinate.
