**FLU SEASON IS UPON US.
THE BEST WAY TO PREVENT
THE FLU :**

- 1.) Wash your hands.
- 2.) Do not touch your eyes, nose, or mouth.
- 3.) Get your flu vaccine. It is not too late to get your flu shot. Flu shots are still available at Carle, Christie, Walgreens, CVS, and your doctor's office. Insurance usually will pay for the shot. By getting the flu shot you are also protecting those around you.
