NJCECA Scholarship Program Criteria & Application

Page 6

* Scholarship applications can be mailed and we are now accepting electronic submissions at NJCECAorg@gmail.com *

NJCECA Scholarship Program

Criteria

The purpose of the scholarship awards program is to select outstanding students who best exemplify the student community that cooperative education represents. Criteria for selection will include the following:

1. All students must be in the 12th grade, enrolled in a bona fide cooperative education program, and will graduate in June 2018.
2. Coordinators who are members of NJCECA as of December 31, 2017 are eligible to submit applications of student candidates.
3. Candidates must complete an application form (found in this brochure). The student's coordinator must mail it to the scholarship chairperson postmarked by **April 19, 2018**. No additional materials are to be submitted with this application. This is simply an intent to participate.
4. Finalists will be required to attend a panel interview on **May 17, 2018 at Bergen Community College at 4:00 PM** and submit the following documents, in a folder, at that time. Two letters of recommendation from a school administrator, teacher, or counselor.
 - Letter of recommendation from the student's employer.
 - Resume
 - Students applying for a scholarship are encouraged to bring a portfolio of their work
 - Optional documents (not required): Transcripts, awards, projects, photographs, ASVAB score report, etc.
5. Scholarship recipients will be notified through their coordinators. Each winner is required to contact the school sponsoring the scholarship prior to **May 31, 2018**. Each school reserves the right to establish fees beyond tuition for books, equipment, etc. It is up to the student to inquire as to the total cost of the school's program.

Please complete this application to apply for any of the listed scholarships. This is only the first step in the application process. Additional materials, as outlined on the first page, will be required at the scholarship interviews on May 17, 2018 at 4 PM at Bergen Community College. This form is to be mailed or emailed by your co-op coordinator to the scholarship chairperson, postmarked by April 19, 2018.
