## **PRESIDENT'S MESSAGE BY BILL ROBERTS**

Happy Holidays. May you be blessed this holiday season and throughout the year. As we look forward to 2023, it is important to review how we did last year to ensure we are moving in the right direction for the association and our community. The Hernando Beach Property Owners Association, through your membership dollars and participation, maintained the Dolphin Fountain and Triangle Park – two important landmarks that highlight the “nature coast” features of our community. Every year we light up Shoal Line Blvd with the assistance of Hernando Beach South Association to bring holiday cheer to the entire beach - no small feat. The Beachcomber kept you abreast of activities with the association, community and local businesses. Your HBPOA “Beach Life” calendar provides a means to record all the activities you want to get involved in and the photo contest enables you to share those pictures of the perfect place to live.

The HBPOA hosted meetings in 2022 with guest speakers from across the county and a Candidates Forum. These community and county leaders provided up to date information and insight on activities, policies and changes to come – you got your questions answered! Your program dollars supported our own local Crime Watch, Toys for Tots Boat Parade and your response to Hurricane Ian was exceptional – Over \$1000 donated in cash and relief supplies. Our own innovative volunteers started two new programs that have taken off: the Ladies Breakfast Club, Tuesday Game Days and day trips. We hosted a community Hot Dog Dinner Social, Ice Cream Social and the annual Holiday Dinner. The HBPOA participation in Hernando County Fine Arts Council grant programs was the first this year with a successful grant application. The results speak for themselves – Thank you Linda for the beautiful sign welcoming our guests to the beach on our North Shoal Line Blvd entrance. We are blessed with so many talented members; we're applying for another grant!

and Zoning Committee, your board members attend and try to capture the essential information you need to be aware of the issues. Public Information Workshops are essential for our Hernando Beach Community to understand zoning and variance requirements and requests. We'll always push to get them. The HBPOA is not politically aligned nor an activist organization as a Florida State permitted non-profit association. It is our goal to keep you informed.

Your participation is what makes this organization work. Thank you for your gifts of time, talents and treasure. The new board is meeting in December to build our 2023 program. We'll bring it forward in January for your review. Thank you for allowing me to act as your President of HBPOA. I'm honored and humbled by your confidence. I'm looking forward to 2023 working with a great team doing great things for a great community. Think global, act local and love where you live – Hernando Beach.

## Chase N Tails Fishing Charters

Capt. Josh Fritz 352-345-9304

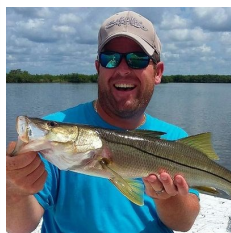

Hernando Beach FL

## NOVEMBER FISHING REPORT

November is a great month for fishing on Florida's Adventure Coast. Gag grouper are biting like crazy in all depths of water. Live pin fish and pilchards are working great for bait.

In shallow water, the redfish and trout are biting well. Outer islands, grass flats, and oyster bars are all good areas to find both redfish and trout. Live pilchards and small pinfish for bait, or topwater lures such as the Rapala skitter walk-in bone and mullet colors are great for this time of year.

– Captain Josh Fritz

Capt. Joshua Fritz is a Native Floridian fishing the local waters of the Gulf Of Mexico, Capt. Josh is a 25 ton licensed and fully insured guide. Capt. Josh knows these waters inside and out with over 25 years of boating knowledge. Capt. Josh is very well know in the fishing world and is professional and friendly, come aboard with Capt. Josh and lets catch some fish.

someone failed to negotiate the turn and ended up in the pond. We had damage to the landscaping, irrigation, a 20-foot palm tree was knocked over and the pond was polluted with oil and gas. We have an accident report and will file it with the owner's insurance company for remediation and repairs.

GAC report by Scott Fitzgerald. The Garrison zoning change for the property on Shoal Line Blvd is moving through the County approval process. Election day is Tuesday – please get out and vote. The GAC will forward all variance requests to the membership for their information or action if they are within the impact consideration distance for the applicant.

**8:00 pm. New Business**

HBPOA applied for a grant from the Hernando County Fine Arts Council (HCFAC). Concept: HBPOA sponsor a contest for HB artists to design pole banner flags that will be mounted on telephone poles/light posts. The purpose is to build up our community pride, improve Shoal Line Blvd beautification and show support for the arts our local artists. Kathy Groves volunteered to lead this effort. Please contact Kathy to help – many hands lighten the workload.

The membership voted and approved to allot \$2000 for the Holiday Party expense Motion: Denis Polyn, second: Diane Greenwell. No discussion, voice vote aye, motion approved.

November is election month. Because we had no contested positions, the nomination committee filled the 2023 slate and nominations were closed. Denis Polyn made a Motion: "I move that all the uncontested officer and director nominees for the 2023 HBPOA Board be approved by the vote of the HBPOA membership." Second: Dave Skinner.

Voice vote aye. No dissent. The 2023 Board is approved. Please help me welcome the 2023 HBPOA Board. New Officers are **bold**. President Bill Roberts,

**Vice President Joan Puls;** Secretary Linda Tartaglione, Treasure Jen Brown, Director Scott Fitzgerald, Director James Fournier, Director Bobbi Caccamisi, Director Denis Polyn and **Director Chuck Greenwell.**

The Hernando County Fine Arts Council has opened their calendar to start filling in volunteer positions for the Annual Art in The Park. This incredible event will be March 11<sup>th</sup> and 12<sup>th</sup>. We need volunteers starting on the 9<sup>th</sup> for set up. Please go to the Hernando County Fine Arts Council website to register/volunteer or call Diane Greenwell.

President's Comments.

Bill shared the news about Linda Tartaglione's new sign on Shoal Line Blvd.

We need help. Every year the HBPOA puts up Christmas Lights on Shoal Line Blvd. We need a team to help make repairs to the signs stringing new lights on the characters to be mounted on our light poles. If you'd like to get involved in this easy and rewarding committee, we only work a couple of Saturday afternoons. Please contact Bill Roberts. Thank you to Dave, Scott and Denis for volunteering.

The Hernando Beach Yacht Club is hosting the Third Annual Toys for Tots Boat Parade on December 10th. Look for details in this Beachcomber regarding registration and other important information.

Motion Dave Skinner to approve purchase of a projector and spend up to \$750 of HBPOA funds. The requirement is that the projector has at least 3000 lumens. Second: James Fournier, discussion focused on who would be responsible for the device – Bill Roberts took that responsibility as the President. Voice vote, all in favor aye, motion passed.

Changing the venue of the HBPOA meetings came up for discussion as the renewal season for contracts is December. Diane Greenwell researched possible locations and expenses. Currently, the Coast Guard building lease for Board and Membership meetings is \$1380 but will rise to \$2000 for 2023. The Hernando Beach Yacht Club will only charge a corporate membership of \$500. Board meetings and membership meetings are free. Bill will post a time and date for interested members to visit the location and “check it out”. Motion: Barbara Gossett “Leave it to the board to decide”, second: Marlies Blackford, voice vote aye – motion passed with one opposed.

The Weaver Group Realty is proud to introduce our new owners, Tom and Tammy Dishman. Originally from Ohio, Tom and Tammy relocated their family to Florida years ago and began exploring all the Gulf Coast has to offer. Tom has always wanted to serve customers through Real Estate. He and Tammy are experienced in many facets of real estate, having bought and sold many homes over the year as well as owning and operating Airbnb rental properties. Their interest in real estate started years ago while flipping houses. Both Tom and Tammy have a good eye for seeing the bones of a house through the disrepair and envisioning the potential. Tom loved seeing the end results after tearing out the old and making the much needed repairs and renovations that brought homes back to life.

As owners of The Weaver Group Realty, their goal is to continue to provide an excellent quality of service that customers have grown to expect from The Weaver Group Realty while supplying knowledge to customers and offering a new perspective. Margaret Weaver will continue as our Broker and will coach and assist Tom and Tammy as they grow into the business. Realtor Laura Ghent will remain in her current capacity in support of this business change. Eventually Marg will retire so that she can spend more time with her much loved grandchildren. Tom and Tammy look forward to meeting the members of the community and are very excited about this new adventure.

### HOSPITALITY COMMITTEE

By: Judith Hughes

Hello Hernando Beach,

Here it is December and we are looking forward to the Holidays.

Your Hernando Beach Property Owners Association celebrates its members by providing a wonderful Holiday Gathering each year. This year it will again be held at Brian's Place. December 10th is our celebration date.

We have three Cultural Holiday Celebrations in the month of December. Christmas falls on December 25th and is celebrated around the world. Hanukkah, which is the Jewish eight-day "festival of lights," is celebrated with a nightly menorah lighting. Kwanzaa celebrates African Heritage and there is one more known as Boxing Day? Boxing day is the day after Christmas. Boxing Day got its name when Queen Victoria held the throne in the 1800s. It is borne out of the tradition of wealthy families boxing up gifts to give to the poor. Don't you think Boxing Day would be a wonderful tradition here in the USA?

Of course, we mustn't forget the last day of the year. It is an eve where we leave things behind and celebrate new beginnings. Traditionally, we make "New Year Resolutions" with the hope we can keep them. Our society has been through many challenges during the past few years including Covid. Hopefully, New Year's resolutions for 2023 will be wishes for good health, peace, and good will around the world.

Your Hospitality Team greets you at each HBPOA meeting and we appreciate each property owner who attends our meetings. The HBPOA Board has brought you pertinent information about our community and how our local government decisions impact Hernando Beach. We have brought you interesting speakers each month. Ice Cream and Hot Dog Socials occasionally precede a meeting. HBPOA has also been the recipient of a Hernando County Fine Arts Council Grant. This grant afforded us the opportunity to display a welcome sign on the North side of Hernando Beach on Shoal Line Boulevard. Our own Linda Tartaglione, a local artist, constructed the sign. Hernando Beach is no longer a secret on Florida's west coast. We welcome all new residents and we would love to greet you at our January meeting.

Happy Holidays and a very Happy New Year...

## FISH OF THE MONTH SHEEPSHEAD

Regulations Gulf and Atlantic State Waters

**Minimum Size Limit: 12"**  
total length

**Daily Bag Limit:** 8 per person

**Vessel Limit:** 50 per trip during March and April

\*State regulations extend into federal waters.

**Season:** Open year-round

### Gear Requirements:

- Legal Gear: hook and line, cast net, seine, spear or gig
  - Illegal Gear: Harvest prohibited by or with the use of any multiple hook in conjunction with live or dead natural bait; Snatching prohibited
- Special regulations apply for this species when

fishing in Biscayne National Park.

### Can oysters and barnacles be used as bait or chum for sheepshead?

Oysters and barnacles are very, very different when it comes to regulations.

Oysters have closed seasons, bag limits, size limits and can only be legally harvested in specific shellfish harvesting areas that are classified as "approved" or "conditionally approved" and in the "open" status. The Florida Department of Agriculture and Consumer Services Division of Aquaculture manages these shellfish harvesting areas.

Barnacles on the other hand do not have size limits or specified bag limits, which means that you can harvest up to 100 pounds per person per day with a recreational saltwater fishing license and you can use them to chum sheepshead. You can also simply scrape them off bridge piles and allow them to sink and attract sheepshead. Do not scrape barnacles from private docks or other private structures without permission of the property owner.
