Bingo Cards: We have on our website ready to go Bingo Cards. You can choose which one you do— Reading Bingo, Activity Bingo, or both. Each card has the instructions on how it works and how to send us the information we need.

- Activity Bingo: you will pick an activity to do (one a day, or it's no fun) and send us a picture or video of you doing the activity so you can mark that off on your Bingo card. Once you fill the entire Bingo card, let us know and we will store your completion to win something fun when we return.
- Reading Bingo: grab yourself a good book based on the Bingo card. Once you read that book, mark it off on your card. It might be a genre, an author, or a book recommendation. Once you fill out a row on the bingo card, let us know and we will keep you in our records to win something fun once we return.

Summer Reading Program: You can get your Summer Reading information on our website. If we are open by June 15th, you can visit the library and get signed up in person.

Virtual Escape Room – Fairytale Mayhem: The Evil Queen has released a curse forcing fairytales to exist in one forest. Solve the clues and help restore the fairytales back to their own realm. We will have the Escape Room available virtually, and in person if we are open.

Attention Cooks: We will continue to collect your favorite recipes through the month and post the recipes on our digital quarantine cookbook.

Things to Do: Follow us on Facebook and Instagram to see resources, stay at home fun, updates on our events/activities and general library news. PLEASE send us the photos and videos, as the more responses we get the more we can count for State-Aid. We rely on our state-aid funding to bring fun events and activities to you, plus it is more fun when more play along. 😊

***Needs books?** Contact us and we will set up a time to make this happen. This is a "porch pickup" contactless service. You can view our library catalog on our website. Your username and password is your library card number, example: 1234. If you do not know your card number, we can help you access it.*

TOGETHER WE WILL GET THROUGH THIS!

Continue to stay home and stay safe. We are here to help combat the boredom! #alonetogether
