(Overnight Train/Motor coach Tour) (Additional Dates Available for Groups)

We will depart from our area at 5:15A.M. to board the Amtrak train in Pittsburgh for our train adventure to Harrisburg. Our Gettysburg experience begins on the train. Lunch will be on your own in the snack car of the train and you will be able to move about during our excursion east. Fall offers a colorful view as our train passes through the Allegheny Mountains, Horseshoe Curve, along the Susquehanna River into our State Capitol for a tour. The Senate Chambers, the House and the Supreme Court Room reflect a palace of art filled with murals, stained glass and original wooden desks. Then we will visit the National Civil War Museum, dedicated to the entire Civil War. There is an outstanding collection of Union and Confederate artifacts, high definition videos, and life-size mannequins. A panoramic view of Harrisburg and the magnificent Grand Rotunda add to the unique ambiance of this inspirational setting. Dinner is included. Our travels will continue by motor coach into Gettysburg for an overnight stay. During our visit we will tour the Nat'l Military Park Museum and Visitor Center that includes the Cyclorama, movie and overview of the Civil War history. A guided Battlefield & Cemetery Tour along with a visit to Eisenhower Farm are also included. Lunch is included at one of the Historic Gettysburg Taverns during our visit.
