Brethren, Family and Friends,

welcome to September. Confidence Lodge was fairly quiet during August however we are planning to ramp things up in September. Unfortunately Covid is still hanging around us and while we are still allowed to meet in person as I write this "masks are required indoors" in Santa Cruz County so our September Stated Meeting masks will be required during the meeting. Our September stated meeting will be held on Monday Labor Day – September 6<sup>th</sup>, since this is the day we have rented the Santa Cruz Lodge. Meeting at 7:30PM light fair food prior at 6:30PM. We will continue the casual attire theme of "Hawaiian Shirt Night". If you are around please try and attend bring your family RSVP to myself or brother Junior Warden – Pete Cardilla is greatly appreciated so we can plan on numbers.

While the Lodge was quiet our building renovations are going along at a rapid pace, if you haven't driven by the corner of Main and Soquel lately it is really worth it! Many thanks to our brethren for taking pictures and helping document this historic event – special shout out to Michael Baba for his aerial drone footage and other multimedia work along with brother SW Zeke Floro for his many updates. We will soon be home brethren and friends.

Please support our friends of OES on their annual relay for life fund raiser auction – more info on page four. Santa Cruz DeMolay is holding a membership BBQ event on Thursday Sept 23<sup>rd</sup> 6:30PM, event open to any interested young men age 12-18 and their parents at no charge. See page two.

The family, BBQ and chilli cook off hosted by the three Santa Cruz County Lodges, is set for Saturday Oct 2<sup>nd</sup> – 12:30PM for food at Paradise Park – Picnic Grounds. It's a great time to invite your friends and perspective members to this FUN event.

Grand Lodge – Annual Communication "Together Again" in person this year in San Francisco October 8 – 10, 2021.

Fraternally,

Brian Calverley – Worshipful Master – 2021

My Brothers,

Gratitude. I love that word, and whenever it comes to mind, I take a moment to reflect on just how many things I have to be thankful for, which, of course, includes Masonry and all of you! Newly entered apprentices may hear talk about “rights and benefits” of membership, but as their journey in Masonry progresses, the understanding of these things grows much clearer. Over time, we discover that Masonry builds strong bonds of fraternal love, fills us with positive self-worth, and teaches us important lessons that give us the tools necessary for ensuring a better quality of life. Take memory work, for example, which helps keep our brains healthy and our rituals running smoothly. More importantly, its rich content operates at such a deep level that it truly holds the power of self-transformation. That said, I urge each of you to step up and accept an officer’s position or take part in a degree ritual when circumstances in your life will allow for more participation. The rewards will be many and you will have more to be grateful for, I assure you!

Now, for some business. Our next beach cleanup will be held on Saturday, September 18th from 9am to 11am at the Capitola Beach. Please note that we are starting at an earlier hour. This is a lot of fun and definitely for a good cause, so please join us by meeting under the pier at 9am. The next item of business is a lodge renovation update. Progress has been fantastic! The foundations are repaired, the framing is complete, the bathrooms are plumbed, and new siding is proudly installed on the exterior. Soon, we’ll have a new, lightweight roof, completely new electrical wiring courtesy of Brother Termini and Triad Electric, and new windows, stucco, and drywall all around! It’s now time to choose a color for the lodge building, so please join us at our next stated meeting to have your voices heard on the matter.

Yours faithfully and fraternally,

Zeke Floro (Sr. Warden)

## Santa Cruz DeMolay

Is having a BBQ'd Rib dinner on September 23<sup>rd</sup>, 2021 at the Masonic Lodge, 828 N. Branciforte Ave., Santa Cruz. We plan on a buffet style and putting the food out around 6:30. The menu is still a work in progress but it will include ribs, chili, potato skins and maybe some fruit. Teenage boys will love it, parents should consider bringing Tums. LOL!!

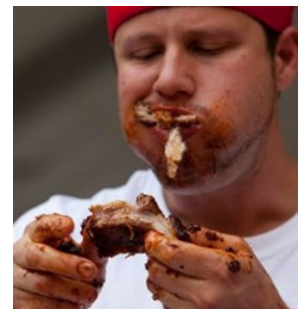

*This event is open to any interested young men age 12-18 and their parents at no charge.*

We plan on a very simple evening of dinner, maybe a little pool, perhaps another game or two. Anyone will be able to see what DeMolay is about, the other members involved, and the fun events we participate in.
