

Neighbourhood Plan Meeting

Dear Resident

You are cordially invited to attend the open meeting at The Bell Belbroughton at 7.00pm on Monday 22nd January:

The purpose of this meeting is to seek community support for investigating the possibility of developing a Neighbourhood Plan for our parish area.

It is also hoped to form a 'Steering Group' comprising of both councillors and other residents. The 'Group' would, in due course, recommend whether or not a Plan should be developed by the community as a whole. Although the Parish Council would expect to facilitate the development of any document.

The Parish Council would then inform the District Council whether the intention was to develop a Neighbourhood Plan, a development statement, or neither.

In coming to the decision a more detailed community survey would have to be undertaken. To assist with this the Parish Council would seek grant assistance of £9,000 which should be readily available.

The District Council is ready to help and advise and on the evening we will be joined by Matt Stanczyszyn from the District Council and Dave Thomas, from the Chaddersley Corbett Neighbourhood Plan Group, to advise on procedural matters and answer questions you may have.

Should the date of the meeting not be convenient for you but you nevertheless would wish to be involved please contact me at morg1952@gmail.com or phone 01562 710337.

Cllr. Dr Robert (Bob) Morgan
