Happy 4th:

Again, I hope all is well. Hopefully everyone had a great independence day. I would like to welcome all the new members. This past weather season has not been too friendly. This heat wave we are going through is devastating. Hopefully next season will be like years in past. I wanted to thank everyone who have attended the past outings and monthly meeting for their support. The club will only survive with membership participation. For those of you venturing out into the desert, be sure and bring plenty of water. It does not take long for dehydration to set in. I hope I will see all of you at the meetings and look forward to seeing you at the outings which will pick up in September. Have a safe summer.
