**Welcome to the Germany Society!**

## Germany Society Background

The Germany Society, Sons of the American Revolution was established to honor the men of German Regiments who fought under the French Expeditionary Forces of France in support of establishing Independence for America. Many of our membership have ancestors of German heritage.

Our only requirement for membership in the Germany Society is to be an active member in good standing in the Sons of the American Revolution.

The Germany Society consist of primary members living in Germany and dual members who are primary in other state societies of the Sons of the American Revolution

Our society was also created to help promote and support the National Society of the Sons of the American Revolution by spreading American patriotism and knowledge of the history of the American Revolution and the founding principles of our democratic republic.

We also provide financial support to the National Society through our society contributions to various needs and projects.

Our yearly membership dues are (only) \$10.00 but the rewards of participation are invaluable!

We are always looking for a few good men!
