Greetings in the precious name of our Lord and Master Christ Jesus.

It is that time of the year again, when we celebrate KSM Anniversary

This is our 18<sup>th</sup> Annual Aniversary. The Lord has used used you greatly and are thankful.

We have a lot a head of us, due to destruction caused by unprecedented rains in Kerio Valley.

As I write this letter the Intake is not suplyinh water to the towers. Over 100 pipes swept by landslides.

Thousand of residence have no water, I am told some schools might find it difficulty to operate.

But even with the bad news, the good news is that no live was lost this time due to bloods like last time.

Other positive thing is that we are communicating with County and national

Government officials to use emergency funs and restore the intake. KSM will replace the pipes.

We are still committed to doing our best to provide KenTanks to schools and communities .

The government Minister of water has promised that he will make sure the Intake is restored.

The following are on our schedule for this year: Sponsorship of over 2,000 youth to attend weekend

Confrence in four locations in the region; sponsor 65 pastors for 3 day conference

Sponsor 4 schools to get KenTanks . we lookford to seeing you again in October

We are inviting you to our Annual Luncheon October 6<sup>th</sup> 2018 at Canaan Baptist Church

5430 Pulaski Avenue, Philadelphia, PA 19144 ( starts at 11:30 to 3:00 PM)

Thank you for your continued support.

God bless you.
