

# Market Information and Application 2022 Market Year

A person, family, or partnership may join the Buffalo Farmers Market. Our selection committee will verify you meet our requirements and determine which new vendors fit the best in our market. Summer Market is May thru October. The summer season fee is \$75 and is good for the whole season. There is no weekly fee option. An additional \$50 fee is charged for drive up spots. We are non-profit and all fees are for promotion and operation of the market. Members volunteer their time to perform market activities as needed.

All items offered must be grown/raised/made by member and done within a 25-mile radius of the market. The manager may waive this requirement if your product is missing from the market or for other special reasons.

## New Vendors

ALL APPLICATIONS are to be mailed to the Chairperson of the Selection Committee. **DO NOT SEND MONEY OR CHECK WITH APPLICATION.** Drive up spots are limited and assigned by the manager based on products sold and need, if any, for electric hook-up. If you are accepted into the market, you will then pay your fee. First consideration will be made for applications which arrive before April 15<sup>th</sup>. Space can be limited so apply early. Notifications should be sent within one (1) week of receiving your application.

## Returning Vendors

Send application to the Chairperson of the Selection Committee. DO NOT SEND PAYMENT. Payment can be made on the first market day. Applications must be received before April 1 to secure your past spots or a spot for the market. **If we don't receive by April 1, a spot will not be reserved.**

## Selection Committee Chairperson

### Mail or email application to:

Jeff Gardner

500 West 4th Street, Monticello, MN 55362
