BOOTH SIZE AND INFORMATION

All booths measure 10x10. There is limited space available so if your booth will measure more you will be charged double. Due to our attempt to encourage as many informational and non-profit booths as possible, we encourage info booths to share in order to maximize space. Assistance is available if organizations need help pairing up. You may have access to water and electricity. You must provide your own SHADE, tables, chairs, lights and your own extension cords. We highly recommend pop-up structures as shade travels throughout the day.

SET UP

Vehicles may arrive on site at 1pm Friday and/or 1pm Saturday or early as needed however, **Ridgestock staff will not be on site until 1 pm. Vehicles must be out by 2:30 p.m. ----NO EXCEPTIONS!** The Schoolhouse grounds are gently sloping so bring shims to level tables or clothing racks as needed.
