We are open to collaborating with individuals whose intentions aligns with ours, to be a sacred space for healing, peace and presence in our community.

To move forward with your workshop please submit:

- 1) Updated instructor bio & headshot
- 2) JPEG for visual marketing
- 3) Workshop title
- 4) Suggested dates and times
- 5) Paragraph description, focused on what the client will learn

Workshop split is 50/50. You will receive a check at the end of your offering. Your event will be shared and posted on our Facebook page and our website. It will be included in email blasts to our clients. Please help us market by sharing your event on Facebook or any other social media. Writing a press release to the local newspaper and TV stations is a great way to boost awareness as well.
