**IZI Update (Kami and Jen)**

- ❖ Update (date, location, etc.)

The February 6<sup>th</sup> date that was originally chosen had to be cancelled due to it being a caucus night. The new date chosen is Saturday March 3, 2018 from 10 a.m. -1 p.m. at Shakopee East Junior High School. Brunch food will be served instead of dinner. Sarah will forward updated invitations from Marnita’s Table staff so that you can extend the invites to a few people in your personal network or forward on to colleagues who might be able to share the information with community residents that we are trying to engage with. Families are encouraged to bring their kids to the IZI.

There will be Spanish and Somali translators available at the IZI.

- ❖ Sticky Stats

A document of sticky stats was presented to the group for their feedback. The group went through the sticky stats and provided suggested feedback.

Scott County is a place where people are stable, connected, educated, and contributing

❖ Mindstorm Questions

Based on our last workgroup meeting where we discussed what we would like to learn at the IZI, Kami, Jen, Kathy and Sarah had a conference call with Sammi from Marnita's Table to talk about what we would like to see in the questions at the IZI. Marnita's Table staff presented a list of nine questions which were presented to the workgroup for their feedback.
