The Volusia County Fair is chartered under Florida State Chapter 616 as a County Fair serving residents of Volusia County. The Fair is dedicated to promoting the agricultural, horticultural, creative arts, sciences and educational opportunities for the residents of Volusia County while providing quality and affordable entertainment for the people of Central Florida.

The Fair Association is recognized as a 501 (C)-3 non-profit organization by the Federal Government and the State of Florida.

The Fair welcomes the support from individuals and businesses who wish to help the Fair reach its goals to serve our residents and provide the youth a place to show their exhibits.

Volusia County Fair Association, Inc.

The Volusia County Fair Association, Inc. is a non-profit organization that is governed by a Board of Directors who are nominated from the membership.

We invite you to become a member of the Volusia County Fair Association, Inc. The annual membership dues include a gate admission ticket to the eleven (11) days of the Fair, and an invitation to the Annual Membership Dinner Meeting held in January. Contact the Only at the Fair Office (No mail, fax or email) for information.

The Fair relies on the support of the community to offer affordable entertainment and enjoyment to the residents of Volusia and surrounding counties. In addition to family fun, the educational aspects of the Fair expose people of all ages to new and different experiences.

The Volusia County Fair & Youth Show provides a place for the youth to learn and show their livestock projects; residents of Volusia County are encouraged to participate in art, photography, music, agriculture, horticulture, home and craft projects. The Fair gives you the opportunity to show your talents, while competing for awards.

MODEL TRAIN ROOM & DISPLAYS

Model Train Superintendents: Bud and Sylvia Bahr: 386-228-3707

The Model Train display is for model train enthusiasts of all ages. Something new and exciting is added to the display area each year.

1939 WORLD'S FAIR DIORAMA'S

The Diorama's from the 1939 World's Fair in New York were donated to the Volusia County Fair in 1982 by James Burkhalter. In 2007, the dioramas were redone to their original state by Mr. Burkhalter. The dioramas are on permanent display in "Mitchell's Old Plantation" by the Model Train Display.

"MITCHELL'S OLD PLANTATION BUILDING"

When you enter the "Mitchell's Old Plantation", you step back to the days that may be recalled as "The Good Old Days". As you walk the through "Mitchell's Old Plantation", it seems that you are in the days of an era long ago.

As you walk through the Old Planation Building , you will see the preservation of energy - including a fire-less cooker, a dog treadmill and many other interesting exhibits. There are horse drawn surreys, buggies, wagons, and a chuck wagon, hand tools crudely made of wood and stone, and handmade wood carvings and machines that were used for everyday basic needs.

Stop by the "Frank Bastler Rock Shop" ,in the Old Plantation Building, where you will see a large display of rocks, minerals and gems on display from the Gem and Mineral Club of Deland.

Outside the Old Plantation, you will see:

"Orey Crippen's Antique Engine Display".
Old engines are on display and running every day.

"Paul Holt Antique Gas Station"
Old tractors are on display.

"Harvey Dunn Blacksmith Shop"

Engineering & Technology Education - Department 1000

The Volusia County Fair Technology Education Program is an activity designed to encourage the understanding of technology and development of craftsmanship among secondary students enrolled in engineering and technology education. The program offers awards for excellence demonstrated at the county level competition at the Volusia County Fairgrounds, DeLand, Florida.

PROJECT ELIGIBILITY:

Any entry made in school under the supervision of a technology education teacher and which qualifies according to the rules and regulations may be entered. At least 70% of the project must be fabricated in the school laboratory.

Entries in Divisions 1001, 1002, 1003 and 1004 must be individual entries. Team/Class projects may be presented for display only. Division 1005 may be individual entries or team projects.

NUMBER OF ENTRIES:

All Divisions may be entered but only one (1) entry per Class. For example: you may enter one (1) entry of a residence drafting project and one (1) entry of an object drafting project and one (1) entry of an engineering project and one (1) entry of a metal table top object — these are all in different classes. You may NOT enter a drafting of an airplane engine and a drafting of another type of engine — these are in the same class. Entries in Divisions 1001, 1002, 1003 and 1004 must be individuals. Team/Class projects in Divisions 1001, 1002, 1003 and 1004 may be presented for display only.

JUDGING:

1. The Danish System of judging will be used where there can be numerous Blue Ribbon awards with a 1st, 2nd and 3rd awarded in Divisions 1001, 1002, and 1003.
2. Projects completed in the past school year are eligible for this year. Projects exhibited in the Fair last year are not eligible.
3. All 1st place winners in Divisions 1001, 1002 and 1003 only are judged against each other for the Best of Show Awards.

Division 1001 - Class: A - High School

All projects in Division 1001 must be mounted on poster board or better (4 ply minimum). All dimensions must be included with each project entered.

Class:

- A. Drafting Architectural - Project will consist of a rendering of a residence. The rendering can be of the inside or out. The coloring and/or shading can be produced manually or by using CAD. All drawings should be submitted on either B or C size paper.
- B. Drafting Engineering - Project will consist of an object that was created using 3D solids modeling. Drawing should be printed in either a realistic look with color or as a 3D hidden look. The drawing should include either an exploded view or sectional views to show the interior pieces and does not require dimensions. All drawings should be submitted on either C or D size paper.
- C. CAD D-ARCHITECTURAL - Any student created drawing meeting general architectural standards.
- D. CAD D-ENGINEERING - Any student created drawing which should include dimensions.

* Blueprint may be used if certified by instructor. No tracings accepted.

Division 1002 - Class: A - High School

All projects in Division 1002 should be small in nature, (i.e., objects that sit on a table, counter, shelf, hangs on the wall).

Class:

- A. Woods
- B. Metals
- C. Synthetics

Division 1003 - Class: A - High School

All projects in Division 1003 should be large in nature, (i.e., objects could be self supporting, could be designed for interior or exterior use, etc.)

Class:

- A. Woods
- B. Metals
- C. Synthetics

Division 1004 & Division 1005

All projects are to be constructed using guidelines available through Career & Technical Education (CTE), Volusia County Schools at 386-734-7190 X 20644.

Division 1004 - Class: A - HS (Grade 9, 10, 11, 12) Class: B - MS (Grade 6, 7, 8)

CO₂ DRAGSTERS: Made from balsa wood designed to race on 80' racetrack. Participant designs and produces drawing of and builds a CO₂ powered dragster utilizing the materials approved in the guidelines. Cars are evaluated on the basis of the final position in the race.

Races will be held Saturday, November 4 @ 1:00 p.m.

Division 1005 - Class: A - HS (Grade 9, 10, 11, 12) Class: B - MS (Grade 6, 7, 8)

BRIDGES: Made from balsa wood sticks. This may be an individual or team event. Using basic engineering techniques, participants research, model and stress test a bridge designed to hold the greatest load. Students systematically plan and construct a model to be tested using the materials in the guidelines and submit it for destructive testing.

Bridges will be tested Saturday, November 4 @ 1:00 p.m.
