### CITY WIDE CLEAN UP

The city council has set Saturday, October 17, 2015, for a city wide fall cleanup day. A rain date has been set for October 24, 2015. All junk items can be disposed of, free of charge, by taking it to Cooley Sanitation at 307 Main Street from 8:00 a.m. – 1:00 p.m. No tires, liquids, yard waste, garbage, batteries or construction project materials will be accepted. White goods, such as washers, dryers, A.C., stoves, refrigerators, freezers, water heaters, water softeners, dehumidifiers, furnaces, dish washers, light ballasts, microwaves, and humidifiers, will require a disposal fee of \$10 per unit. Monitors, printers, and copiers will require a \$1 disposal fee. If you are unable to get your junk items to Cooley's, they will pick your items up for a \$20 fee as long as they are placed outside of the house. This is a great time to get rid of unsightly junk that may have accumulated around our homes or back yards. City officials and residents really do appreciate you taking pride in your neighborhood. Please utilize this service to help ensure that the City is maintained in a clean, healthy, safe and attractive condition.

Thank you in advance for your participation!

## CITY ORDINANCES TO REMEMBER AS WE ENTER FALL & WINTER

LEAVES – Leaves may NOT be raked into the street as they clog the storm sewers.

### SNOW ORDINANCE REMINDERS

So that the streets can be plowed, no person shall park, abandon or leave unattended any vehicle on any public street, alley or City-owned off-street parking area between the hours of 2:00 a.m. and 6:00 a.m. during the months of November, December, January, February and March. It is the responsibility of the abutting property owners to remove snow, ice, and accumulations promptly from sidewalks. It is unlawful for any person to throw, push, or place any ice or snow from private property, sidewalks, or driveways onto the street. Thank you for your cooperation in allowing the city streets and alleys to get cleared in a timely manner.

TREES - Property owners shall keep trees trimmed so that all branches will be at least twelve (12) feet above the surface of the street and eight (8) feet above the sidewalks. These requirements allow residents to utilize the sidewalks safely and allow for garbage trucks and other service vehicles to utilize the streets without damage to their vehicles or injury to their employees. Fall is a good time to make sure your trees are in compliance.

## **SMALL BUSINESS SATURDAY CELEBRATION**

**NOVEMBER 28, 2015**

**RAFFLE PRIZES, CHILDREN'S GAMES, AND MORE!**

Remember to support your local businesses this holiday season. Our local businesses are generous in supporting community events and fundraisers. Businesses need the same support of the community to remain viable. Also, a portion of all money spent in our community is returned to our community, and shopping locally retains our community. It's a win-win for the community and for businesses!
