Knight's Marshal's Report: Lord Aeden reports that he cleared out an indoor area for a heated space for practices in the future. He is hoping to have practices soon but is still looking for a replacement.

Rapier Marshal's Report: Wilhelm von Mansfeld reports that he went to WW and it was very HOT. Also, he received a missive from Kingdom about changes to the guidelines to take care of heat injury. Social Media Deputy's Report: THL Birna reports that events have been created on facebook. She is sorting out instagram to connect to a Baronial account instead of a personal account.

Help Wanted:

- **Knights Marshal position available** - Election can happen as soon as an interested party steps forward.
- **Youth Combat Marshal** - Elections can happen as soon as an interested party steps forward.
- **Thrown Weapons Marshal** - Interested parties can reach out to the seneschal.

Old Business:

- **Missile Mayhem - Mark your calendars!**
 - Event: Clintonville 9/21/2024
 - He is looking for an armored marshal for the event.
 - He has been working on the space including creating space for possible javelin throwing, scaff. slings, and thrown weapons.

New Business:

- **Temperature Monitor Request:** Wilhelm brought up buying temperature monitors in addition to using the heat index for deciding when practices should be canceled on the account of heat.
 - Reason: The heat index doesn't account for other things that the monitor would account for. Also, apps and websites that do the same thing would need the internet to be able to access them which might not be available.
 - Looking at different options to purchase.
 - Aesa and Iohannes volunteered to donate money to the cause.
 - He is hoping for 3 monitors to be bought, one for each marshal.

Guild Reminders:
