Volunteering at the KidStuff Resale

Sellers who sign up to volunteer will receive 70% of their sales instead of 65%!

KidStuff Resale volunteers are invited to shop at our exclusive presale Friday night from 6:30-8:30 pm. The presale is our way of saying THANK YOU for volunteering and helping to make this sale possible!

Volunteer Opportunities:

Prior to Sale: Hanging posters and passing out flyers – must distribute in at least 20 locations

Thursday: Equipment moving and setup (some lifting required – men needed, too!)

Friday: Sorting and setting up items for sale

Saturday: Sale & Cleanup (lifting is required for cleanup – men needed, too!)

Volunteers - Please DO NOT place your items on the floor during your volunteer time

Visit www.myconsignmentmanager.com/mchenrymothers to view/choose open shifts.

Would you like to bring a guest to shop at the presale with you?

Two ways to do that:

1. You may work an additional shift for them! For each volunteer shift worked, one person is invited to shop at the presale. 2 shifts = volunteer +1 guest, 3 shifts = volunteer +2 guests, etc.
2. Anyone who works the Clean-Up shift on Saturday from 2:00-5:00 pm OR the Check-Out shift on Saturday from 8:00-Noon may bring a guest to the presale.

Men are needed, too, especially for Thursday Set-Up and Saturday Clean-Up! Anyone can volunteer – create an account online! You may also contact me to sign up a husband/mother/sister, etc.

Children ages 12+ may volunteer! – We will not be allowing children into the Presale unless they volunteer or are a qualified guest (see above). If your child would like to volunteer with you, please e-mail me at kidstuffresale@gmail.com.

Selling at the KidStuff Resale

Step 1: Registration

Sellers will receive 65% of their sales or 70% if they also volunteer. All sellers must register at www.myconsignmentmanager.com/mchenrymothers

Registration Fee

- All sellers will pay a registration fee of \$10 at the time of registration through Paypal.
- The registration fee covers the use of our system, cardstock, pins and creating 300 tags.
- Registration is not complete, and sellers cannot enter items, until the \$10 registration fee is paid.

Discount Option – Increase your sales! – Important Information

- **If you CHANGE the DISCOUNT option when transferring items, you MUST PRINT A NEW TAG!**
- Sellers have the option of offering items at a discount Discounts will begin at 11:00 am on Saturday.
- If an item has not sold by 11:00 am, a 50% discount can be applied.
- Discounts will be read by the scanner at the check-out – discount info is embedded in the barcode on the tag.
- Each item must be individually marked in the tagging system to indicate the 50% discount.
- **IMPORTANT - If an item is marked for discount, the seller MUST highlight the "Discount:YES" discount option directly on the tag (see illustration below).** Any highlighter color is fine – make sure it can be seen. This is so shoppers can easily see that the item is discounted.
- The discount field is activated and read through by the scanner through the barcode printed on the tag, so when creating tags online, sellers must check the box for YES or leave it unchecked for NO for a discount for each tag (see Step 2 below).
- This is a great way to sell extra items! If donating an item, consider marking it YES for discount, too.
- **The sales floor WILL BE CLEARED at 10:45 – All shoppers MUST get in line and check-out. The doors will be closed, the sales floor will be reset, and door will reopen at 11:00 for Discount Hour.**

Step 2: Tagging Your Items

Tag Information

- Tags are created online and printed directly from the website:
www.myconsignmentmanager.com/mchenrymothers - **make sure you are at this web address.**
- Items from previous KidStuff Resales may be transferred to this resale.
- All sellers will receive 300 tags.

Creating a Tag

- Login to your account at www.myconsignmentmanager.com/mchenrymothers
- Click on "Enter Items"
- **PRICE** is a drop-down menu – click on the field to choose your price.
- **SIZE** is a drop-down menu – click on the field to choose your size. Clothing sizes are at the top and shoe sizes are at the bottom. **Note:** For maternity clothes choose size "not applicable" and indicate size in category field (Maternity – XS, Maternity – S, Maternity – M, Maternity – L, Maternity – XL)
- **DESCRIPTION** – allows up to 2 lines of writing with about 50 characters per line.
- **CATEGORY** is a drop-down menu – click on the field to choose your category. Read through all options before choosing. **Note:** For maternity clothes indicate size here.
- **DONATE** – click box to donate unsold item and keep box unchecked to receive your unsold item back. **Each item tag** must indicate yes or no – see next page for more info.
- **DISCOUNT** – Click box to indicate a discount and keep box unchecked for no discount. Discounted items will be automatically discounted 50% at 11:00 am on Saturday.
 - * Each item must be individually selected for 50% discount or not.
 - * **IMPORTANT - If an item is marked for discount, the seller MUST highlight the "YES" discount option directly on the tag (see illustration below).** Any highlighter color is fine – make sure it can be seen.
 - * It is up to the seller whether or not each item is marked for discount – it is not mandatory.
 - * If discount is changed in the computer, print a new tag.
- At any time, click "print tags" and follow the on screen instructions.
 - Do not use "best print" quality** as it is too dark – draft or normal work best with the scanners.
- Cut out tags and pin/tape according to instructions below. 8 tags fit onto 1 sheet of cardstock.

Tape anywhere on tag except over bar code

Hanger Guidelines

- All clothing items must be on hangers when you arrive to drop off your items.
- Keep matching outfits together by using an outfit hanger, rubber-banding hangers together or pinning items together on one hanger.
- Position hangers with open side of hanger to the left when looking at the front of the outfit as shown in the illustration – like a question mark.
- To save tags combine similar items together and use 1 tag. For example, pin 2 or 3 t-shirts together or rubber band multiple hangers together. Indicate multiple items in the description on the tag (ex: Description: 3 t-shirts – 2 red, 1 blue).

Sizing Your Clothing Items

The size chart to the right corresponds to the display signs on the hanging racks. If the item has shrunk or runs small/large, please use the **fit size** and note as such on the tag. For example, pajamas usually run small, so it helps in selling the item if size 4T is used on the size 5T pajamas. (ex: Description: 5T Pajamas – fits like 4T).

Donating Items That Do Not Sell

You may donate any of your unsold items. **Please indicate on each tag all items you wish to donate.** Donation receipts can be picked up at Seller Check-In.

We cannot accept donations during clean up; however, any unsold items not picked up by 4:00 pm will be distributed to charities at the discretion of the Resale Manager.

Suggestions for Pricing Your Items

Prices at this sale are generally less than at a resale shop, but more than a garage sale. A good rule of thumb is approximately 10 – 25% of the original price of the item. For example, if you paid \$20 for an item new, then mark the item \$2 - \$5. Be careful when pricing items that you are sentimental about – if it is priced too high, it may not sell. Here is a guide to help you out...
