### History

The Malvern Prep Wrestling program is rich in tradition. Malvern is part of the historic Inter-Academic league. The boys' Inter-Academic league is a six-team affiliation of college preparatory schools in the greater Philadelphia region. The oldest high school boys' athletic league in the United States, the Inter-Ac was founded in 1887. It is currently comprised of member schools: Chestnut Hill Academy, Episcopal Academy, Haverford School, Germantown Academy, Malvern Prep, and Will Penn Charter School.

At the PA Prep State Tournament in 2014, Malvern had 3 individual in the State Prep School Champions and had 4 High School National Prep All Americans. Malvern placed in the top 6 schools in the country at the National Prep Tournament. We had a National Prep Champion in Jake Anderson the first in schools history in over 20 years and only third in school history. Over the past 10 years, the program has produced over 25 wrestlers who have moved on to the collegiate levels including starting 141lber Rick Durso for Franklin and Marshall, whom qualified for the NCAA tournament three straight years and was an NCAA All American last year at 141lbs.
