The team has raised the money required for busing, hotel and competition. - **Football**
 - Bobby reported on the status of the football co-op with Sutton for the 2013-14 school year. Sutton has been granted approval to start their own football team and has invited DHS to join them. Next year there would be a freshman team and a varsity team. Startup costs for the program would be \$53,000.00. Douglas's share of that would be \$6,000.00. A meeting was held at DHS to discuss the program with interested students, approximately 34 students were in attendance. Sutton has a very active parent group that has fundraised much of that money already and they have invited parents of interested DHS students to attend their next meeting. Bobby has discussed fundraising with administrators and we also discussed several additional options including allocation the money we receive from Blissful Meadows Company Open which has been between \$1,000 and \$5,000 each year. A motion was made by Laura, seconded by

Marybeth and unanimously approved to fund the remaining balance in order to make football a reality for our students.
