Next Meeting July 13th, @6:00 Coaches room by Tennis Courts

President Michelle Stacks. Introductions

Tracy Moore- Fundraising /Membership Chair.

previous minutes voted on and approved.

Dates for Freshman parents. June 29th in Gym @6pm. Meeting with Coach Summerford. Link is coming for Popcorn sale. Asking each player to sell \$200. Making up ground for lack of games last year.

Treasurer report \$14,353. So far Cheer have done more sponsorship, memberships and shoutouts. They've bought in \$3350. Football players will be given their goal in the upcoming weeks. Please use wfjagsfootball.com for all info including meeting minutes.

Thanks Tracy Moore for contacting Eric with Blue Wahoos for a fundraising opportunity. Bases for this is for 501c3 organizations in the community to work concessions and events being held at the Wahoos Stadium and get a proceed. Not just for Baseball. Volunteers and staff are always needed for Cash registers and runners. It takes 8-9 to operate one of the concession areas. Volunteer organizations earn 10% of all sales that are taken through concessions where they're working. If sales are slow they will receive a minimum of \$50 per volunteer. Payments are made directly though direct pay link. Volunteers are expected to be there 1hr and 15min before events starts to get checked in and placed appropriately. Clean up is about an hr. You're there volunteering approx 5.5 hrs. Schedule is open. July 4th is providing 15% proceeds. Schedule works 6 days on and 6 days off. Tues-Sun. Most lucrative games are Thur-Sun. Ages for volunteers is 16. That age cannot touch Alcohol. Training is for group leaders that will need to be on site while players are there. Will review schedule and get back with Eric. Volunteer hours earned for Bright Futures scholarships.

Will be asking for donations for water, Gatorade, Bananas.

Monica will begin working on food donations next week. Also looking at additional Fundraising opportunities.

Coach Rhett. Sponsorship forms are on the site. Need to be reviewed and approved to pass out. Membership forms have been given to Tracy. Need to get that out. Senior Shout outs includes all players. Boston Butt sale is 7/4 weekend. Cut off date for orders is June 30th. Order form will be sent out. Explanation of the Booster Club. It is its own organization. They try to provide for ALL players on the team. The internal account is only for Foot-

ball and is the Coaches account. It may be a camp that only a few players will be taken to. More explanation see Coach Rhett.

Internal account will hold a donation ticket in July with a draw date of Red/Black game. Will try and have 1st place 65" TV, 2nd Place Big Green Egg, 3rd Blue Wahoos night in VIP box. Players fee in the past was \$200. This year if you sell 20 tickets your player fee will be waived. We have 6 home games, we should be able to get accounts back up. Information on how fees are paid from account. Thursday night officials get paid \$1k, EMS \$175, mandatory for 6 officers at \$125 each.

Summer workouts going good. Goal for Freshman during summer is 30. We're at 25. When school starts we get an additional 20 more. Will likely end up with 45. Our goal is to have 3 teams.

The only way this organization is going to be successful is if we have volunteers to sign up for games this year.

Coach Rhett

Membership passes will have added security. If your pass is for entry into a home game that will only be for one person. Your name will be on a list. Once confirmed you will be given a year pass for home games. PayPal will be set up to make purchases for your convenience.
