## President’s Corner

Early Saturday morning, I rolled into the Mimi’s parking lot riding in a 1977 Mustang II Cobra II. Yeah, a lot of people really hated those cars. Most Mustang IIs have been recycled by now; many after having the front suspensions cut off and grafted onto Hot Rods. This particular Cobra II belonged to my neighbor, Alex. Alex just graduated high school and was ready to show off the car he and his dad built. Dad rescued the car from a junk yard many years ago. \$100 took it home. Now it’s the Alex daily driver.

As we wheeled into the parking lot behind the Holiday Inn Express for the First Saturday Car Show, we saw a man directing traffic. Since the Mustangers were the host club, he was directing the Mustangs left and all other cars right. As he came to the Cobra II, he was about to direct us right when another guy intervened and pointed left. Yeah, a lot of people don’t know what those cars are. And that’s just one of the many great things about a car show. You get to see cars you’ve never seen and learn things about them you never knew.

The turnout for the First Saturday Car Show was outstanding. We had around 20 Ponies parked together between club members and friends. Way to go, Mustangers! Apparently, people like the laid-back, stress-free atmosphere of a “Cars and Coffee” event. And hey, it’s over at 10:00 AM so you still have the rest of the day. If you know of other events like this, let the club know and let’s see if we can get together.

Don't forget to contact Shannon Short to get your car, yourself, your kids, grandkids, dogs, pet armadillo or whatever photographed. Shannon will be doing photo shoots at the club picnic in August, but you can also book your own photo session. Then find some pictures you like and we'll put them in the Mustangers Coffee Table book. I'm hoping we get a lot of participation in this endeavor as I think the result will be very cool. Let me know if you have any questions or suggestions. Now, if I can just get my Mach 1 on the road, I could drive it to a photo session.

## **Club Meeting Minutes (May Meeting)**

The meeting was called to order at 6:33 PM.

New members, Tom, Amy, Tracy and Steve were introduced.

Minutes of the last meeting were read and the Treasurer's report was given. Due to issues with unscrupulous scoundrels trying to defraud the club, financial information will no longer be reported in the meeting minutes.

Shannon let everyone know that the All Team Bash she mentioned at the last meeting was free for military and kids.

## **Old Business:**

Reed went over upcoming events.

The First Saturdays Show will be from 7AM to 10 AM. We will be meeting over by Mimi's at 6:45 then driving over to the show. The June show is being sponsored by our club and we will have a tent set up with information about our club.

An overview of The Rocky Mountain Mustang Roundup was given for the new members. This event is in Steamboat Springs and runs through Father's Day weekend. People from all over the Nation bring their Mustangs to participate.

## **New Business:**

The June meeting will be held at the regular IHOP location on June 9<sup>th</sup> due to the roundup running through our regular meeting date.

The club approved the expenditure of \$600 for new T Shirts. Our inventory is running low and Dave will be ordering more. If anyone would like to order their own apparel in different colors or styles they can do so at the Land's End website where our logo is on file. A link to their website is at the bottom of the newsletter.

Neil brought up an upcoming show in Falcon at Dawn and Jim Baumgarner's new barber shop. The show will be next Saturday from 9 AM to 11 AM at the new strip mall on Meridian Road, 1 mile north of Woodman.

Brian and Reed will be trying to get to both the First Saturday Show and the Barbershop Show on Saturday. If anyone is interested in parading with them, let Reed know.

Shannon has pictures from the Phil Long show posted on her website.

If you are in need of a band, one of our new members has one. The Tracy Quinn Band would be happy to perform at your event.

~~The Swap Meet is scheduled for Saturday July 21<sup>st</sup> at Mikes Shop near Garden of the Gods Road and Nevada. [Editor's note: This event has been cancelled.]~~

The raffle was held and the meeting was adjourned at 7:10 PM.

## Club News / Information

### May Was Supercharger Month

**[Steve]** I joined the club at the May club meeting. It was good to meet those that were at the meeting. I am a long time Mustang enthusiast with many years and models through the years. I picked up my GT/CS convertible back in 2007. Not sure how many S197 owners are in the group but I just installed a Brenspeed 560R Supercharger kit a few weeks back. These are photos for my installation.

# Hoofbeats

**[Jeff]** Earlier in the year I decided it was time to start something new ... I parted with my '68 California Special and my '14 RS3. In February I ordered an '18 Mustang GT Premium. I knew there would be no RS3 for '18, but I did not know then about the upcoming JackHammer ... I really wanted an RS3, but my timing didn't work out for that to happen. I received the Mustang three weeks ago and have been busy preparing it for Steamboat ... had a full front clear bra and full stripe installed, I installed the Roush front chin splitter with lower high-flow grill, installed the Roush rear valance diffuser, and finally installed the new Roush supercharger kit for the '18 Mustang. It's all "up and running," just ensuring now that it's ready to go on its first road trip. This should be fun ...

## Club Clothing

There are two sources of club clothing: Graffi-T's Screen Printing and More, and Lands' End. Graffi-Ts is located in the Springs and provides silkscreened clothing. Lands' End is available online and provides their clothing embroidered with the club's logo.

### Graffi-Ts

Graffi-T will provide club clothing that includes the Mustangers logo on the left chest and the running horses across the back. The long sleeve garments also include a left and right sleeve print. The colors that work best with our logos are: white, light grays, light blues, pinks, light greens, yellows, red, tans, and orange. The available styles are: sweatshirts, hoodies, long sleeve t-shirts, short sleeve t-shirts, and ladies v-neck t-shirts. A minimum order of 24 or more pieces in mixed styles, colors and sizes is required. In order to meet the minimum order quantity, the club accumulates individual member requests until the minimum quantity is met, then places an order. There are shirts available from previous club orders. Please contact the Club Treasurer about clothing currently in the club's shirt inventory.

### Lands' End

Rocky Mountain Mustangers stitched-logo apparel is available from Lands' End. Use this link [Lands' End](#) to access the club's Lands' End website to place an order. The logo is shown below. Clothing items include shirts, sweaters, blazers, jackets, and caps.:

The cost of an item is the cost to apply the logo to the item you select (\$8.50) plus the cost of the item itself, and shipping (typically \$9.95 for multiple items). There is no minimum quantity; orders may be placed for single items. The time from placing the order to receiving it is typically three weeks.
