From the President's desk:

Welcome to 2014, I wish you all a happy and healthy New Year. There are several exciting things to tell you about this month.

This month's speaker at the open meeting will be Mark Kocher, Raptor Rehabilitator. Working with Mitzi Eaton and their volunteers, they rehabilitate over 100 injured birds a year with a release rate of up to 50%. He hopes to bring with him several birds to show us. This should be a very interesting presentation, bring your kids, and we are told the birds are not camera shy!

This month's big announcement is the Block Shoot set for Feb 9<sup>th</sup>, at the Trap range, a flier is included with this newsletter. Advance registration for the main event is highly recommended, but not for the many side events. Those of you who are on our email list got an advance notice a week or so ago. Please update your email address with the club for future time sensitive announcements.

Our second announcement this month is the board's appointment of Bill Stone as our interim recording secretary. Please show him your support, as you have to me, as he learns his new job. With any luck at all, he will run for an elected spot in May.

This year's shooting events, Action, FunShoot and Bench Rest, have all been scheduled and added to the website calendar.

New member orientations have also been scheduled and added to the calendar. Come on out and see what you can learn, I learn something every time I give one.

3D archery events will be announced as soon as they are available.

**Please**, feel free to reach out to me with any question, concerns, comments and especially complaints, this is your club; let's make it the best it can be.

**Membership:**

Hello, membership renewal is going very well this year. I have both membership cards and second notices to mail out. If you would like to help stuff envelopes, I will be at the club house on Monday, January 20th at 4:00 until they are finished. I am also looking for a current address for Greg Swenson. If someone could help me out, I would appreciate it.

Lisa Fuhrman

**Gun Raffle Fundraiser:**

The club will be holding a raffle for a Henry Big Boy 44 magnum IWLA Edition Rifle. Tickets will be available at the open meetings. Take along a bundle to sell! Your help in selling tickets is greatly appreciated. This is a really nice fundraiser for our club. Drawing will be held in January.

**Seafood Dinners:**

Mark your calendar for next year's IWLA seafood dinners: Saturday January 18<sup>th</sup> and Saturday March 1<sup>st</sup>. Two seating times will be available at 3:30pm – 5:00pm and 5:30pm – 7:00pm. Menu will include fried oysters, oyster stew, steamed and fried shrimp, haddock, cream of crab soup, clam strips, french fries, chicken tenders, applesauce, coleslaw, rolls, cake, and drinks. Any donations of water and soda would be a big help. Eat in or carry out with ticket only. Tickets can be purchased at Artistic Edges located at 385 Leader Heights Road in York 741-1750 or by calling Terry Eberly at 870-3593. Tickets will also be available at the Dec. open meeting. Tickets prices: Adults \$22, Ages 6-12 \$15, Under 6 are free.

**Outdoor Show:**

Great American Outdoor Show is coming to Pennsylvania Farm Show Complex Harrisburg, PA Feb 1 – 9, 2014. The State Division will have a booth at show. If you would like to work at the show, please see Don Robertson at the open meeting.

**IWLA:**

On Saturday Jan 11<sup>th</sup> at 9am will be the next State Meeting of IWLA Division in Bedford, PA at Hoss Steak & Seafood. Doors open at 8:30am. IWLA National mid-winter will be held in San Antonio, TX Feb 6 – 8, 2014. If you have any concern for this meeting, please contact Don Robertson 873-4171.

**Grounds Maintenance Detail:**

On Sunday, January 19<sup>th</sup> we will be holding a work detail at the club from 1:00pm until 4:00pm. We will not be closing the ranges for this work event, but if you have some free time your help would be greatly appreciated. We have many tasks on our list from cutting down some trees, to painting, so there is something for everyone. We will cancel this detail if the temperature is below freezing or it is raining or snowing. There is stuff to do inside, and under cover, but there's no sense being miserable, or traveling on dangerous roads.

Howard Thompson

**Welcome New Members:**

Please give a warm welcome to any new members as you see them on the grounds. Remember, with all new members and existing members, safety on our ranges is a very real concern. If you have questions regarding safety rules, please ask someone.
