We gather around the campfire for prayer then we travel with our plates to each wagon. Take your utensils, because you eat as you travel. The 49ers will be joining us and we will all share in the feast. We will have a large campfire and entertainment. Its a wonderful night.

Thursday Nov 7th Wagons leave at 8:30 am. Lunch stop is about noon on the road in Devils Golf Course. We pull off to the right side to let visitor vehicles by.

Then on to Desolation Canyon. We will be joined by the Park Service while we are on the highway after lunch.

We will turn left into Ranch by the arch and be circling the wagons in front of the General Store for about 15 minutes. There are at least 10,000 people there. The announcer will have a few things to say, then its on to the camp ground, (they seem to change the camp every year) Only wagons and livestock allowed in this camp. They hold a Cowboy Poetry inside of our wagon circle when we arrive. End of drive. Leave for home Friday, Saturday, or Sunday.
