8th Grade US History

We have just completed a video production of Christopher Columbus's trip across the ocean on his quest to find a better route to the East Indies. As soon as editing is complete you will be able to view it at

www.mrdaviscbi.com.

We have just started writing a song to record that will explain what it was like to live on a farm and in the city during colonial times. Stay tuned!

Knowledge Bowl

Students have already been given packets to take home to their parents. If you have not gotten a packet and would like to be on the team please contact Mr. Davis. The team's first practice is on Wednesday November 6 in Room 130 at the high school. Remember, there is no cost to be on the team but it does require one hour a week after school. To find out more about the Knowledge Bowl Competition you can go to <http://www.mrdaviscbi.com/knowledge-bowl.html>.

7th Grade World History!

Over the past month our classes have studied about Ancient Greece and Ancient Sparta! We just started working on a new production video that will explain the war between Athens, Sparta, and the Persians. This production will be part narrative and part live action! No puppets this time! We are currently hard at work writing a script and building props. At the time of this writing we will begin shooting our production later this week! To track progress go to www.mrdaviscbi.com

Contact Mr. Davis

There are a couple of ways to contact Mr. Davis.
