

READY FOR HUNTING SEASON?

PHEASANT VALLEY FARM NEWSLETTER

Kick-Off Chukar Hunts with Lunch

To kick off the season we are having our annual hunting/social events on Sat. Sept. 8 and Sat. Sept. 15. September 8 is only for our training customers, meaning anyone who has ever trained with us. There will be four different hunting areas with six different start times. Hunts will last approximately 1.5 hours with the first hunt starting at 7AM. I will try to accommodate specific start times if possible. We would like 2-4 hunters per hunt with a minimum of 3 chukars per hunter stocked. As always we will not combine groups. The intent is to do smaller, shorter hunts with the possibility of hunting multiple times throughout the day with breaks in between hunts. Complimentary lunch will be available from 10-3. All hunts will be billed at \$14 a chukar. Pheasants can be added for \$20 each. We will have plenty of chukars on hand so that hunts can be modified due to weather conditions and dog & hunter stamina. Our goal is to have a low pressure, fun event for everyone. All scheduling will be done through Mark's email: mark@pheasantvalleyfarm.com. Start times will be 7:00, 8:30, 10:00, 11:30, 1:00 and 2:30. Many spots are already filled, especially on the 8th, so email Mark soon!

Upcoming Events:

Preserve Season Opens: Mon. Sept. 3
Chukar Kick-Off Hunts Sept. 8 & 15
Women's Hunt Fri. Oct. 12

Volume 8, Issue 1 8/28/18

9th Annual Women's Hunt

We will once again be offering a Women's Pheasant Hunt on Friday, October 12. We offer this event in an effort to encourage more women to participate in pheasant hunting. No experience is required but all participants must possess a current hunting license or provide proof of taking a hunter safety course. The day begins @ 8:30 and ends @ 3:00 PM. We begin with a lesson on field safety, followed by shooting instruction & practice. Then we spend over two hours hunting with experienced guides & dogs. After the hunt we have lunch; following lunch ladies can hunt again and/or learn how to clean pheasants. Thanks to Lehigh Valley SCI and Cabela's for their continued support of this event. Interested ladies should contact Karen at karen@pheasantvalleyfarm.com or go to our website: <http://www.pheasantvalleyfarm.com/events.html>

If you have questions about scheduling a hunt or events going on here at Pheasant Valley Farm please check out our website: www.pheasantvalleyfarm.com/ or follow our page on Facebook.
