After Sunday Services and Fellowship Potluck

Silent Meditation Service starts at 10:00 a.m. and Worship Service at 10:30 a.m. Fellowship follows at noon. Bring a dish to share and join us for our meal. The festivities start after services and fellowship.

Who knows what is in each package (homemade crafts, artworks, kitchen items, decorations for your yard or home) but you'll have to come, bid and win to find out.

This is a fun event that helps raise funds for the Center of Enlightenment to provide for our community.

Join us and laugh, try to out-bid your friends and enjoy a great day of fellowship.
