

FROM THE PRESIDENT

November 2021 President's Message

Well, it's November and what a busy October we've had! Our GaSCar garage sale was a HUGE success, doing far better than we had even hoped! All of us need to really thank those members that worked so hard to make it the success it was and also those GaSCarians who so generously donated their excess(?) items for sale. Lois, Cheryl, and the rest of the ladies did a masterful job of separating and categorizing sale items while Wayne's parking lot expertise kept things going smoothly there. Of course the pizzas Scott and Jerry brought in Friday evening were highly welcomed by a hungry crew as were John and Sandra's donuts and Richard's biscuits Saturday morning. All in all, the best yard sale I ever remember.

The club needs to recognize Lois Monro, Sherry, and the rest of our GaSCar ladies for the especially nice job of setting up our salad supper. Due to changes in

the warehousing at Fox's, we had to limit our meal to the meeting room which was a challenge. Our ladies however, were able to fit everything in the space allowed, provide appropriate table decorations, and do whatever was necessary to insure a pleasant and enjoyable evening.

Saturday, the 23rd, many GaSCarians brought their cars to the annual car show at St. Teresa's Church. While many members won awards, I was especially proud that our GaSCar cars, unlike so many of the trailered show cars, are regularly driven to club meetings, tours and other related activities. That says a lot about our club, its' members, and our cars. I had a particular treat with this show because three of my grandsons came down from Clemson to visit and help me with my cars. The two oldest brought their girlfriends and had them ride with them to the show and back. Joseph, drove the Buick (top down of course), Michael, drove the Dodge, and Steven, drove the Hot Rod (he'd have it no other way), and helped me with the judging. Later that afternoon the girls wanted and were enthusiastic about rides in the Hot Rod and, surprisingly, the King Midget as well. I would highly encourage any GaSCar member to involve their children and/or grandchildren in our

hobby. The kids will probably have more fun than you.

I would like to thank Phil Gaffney for volunteering to head-up our nominating committee to select a list of potential officers for next year. Recruiting officers for a club such as ours has always been difficult but very important. Each of us need to be open to helping GaSCar continue to provide the antique car experiences that we so enjoy and serving as an officer or board member is a great way to do it. Please support Phil and the rest of the committee and think about what you can do to help.

Mark Petry is working with Aaron Clements organizing our GaSCar display at C&C on Washington Road November 13th and it promises to be a fun Saturday. Hope to see many of you there. There are many additional car-related activities going on this time of the year so be sure to keep current with your GaSCar Newsletter for details. As always, keep our sick and ill members in your thoughts and prayers. Remember, God makes a difference! Happy Antique Motoring!
