

McKinney Boyd Orchestra Notes

Greetings and Welcome Back to School!

We are thrilled to be the new orchestra directors at McKinney Boyd High School! Please read through each of the items below to help make our transition back to school a smooth one!

Mr. Needham and Mr. Lyle

Program Goals:

- Community
- Character

First Day of School

- Students will not need instruments on day one.
- Lockers will be assigned and classroom procedures covered
- The Orchestra room will be open from 7:00 a.m.-3:30 daily. Students are welcome to come before or after school.

Masks and Orchestra seating

Masks and social distancing are no longer required in Texas public schools. We will be seating students in a traditional orchestra set-up with two students sharing one stand and not socially distanced. Students are encouraged to make whatever decision they need to feel safe regarding the use of masks. ALL student decisions will be supported and negative student peer pressure towards others will not be tolerated. Hand sanitizer will continue to be available at the entrance of the room.

Ambassadors

We will be continuing the Ambassadors program at Boyd HS. While our main priorities will be developing individual and group playing skill in each of our 6 Orchestras, we value the contributions of

the Boyd Ambassadors. Students in all 6 Orchestra classes will be given the chance to apply for this program. Our focus will be on quality of performance level and quality performance opportunities. We ask for patience as the new directors get assimilated into the McKinney ISD and Boyd HS environments and develop our philosophy for the Boyd Ambassadors. As soon as we are able, we will begin this program for the current school year.

Honors Consortium performs at Bronco Camp!

On Saturday morning, August 7, bright and early, Honors Consortium welcomed Freshmen and their parents to Bronco Camp! This was a great way for the new directors to get started making music with Boyd students!
