

YESHIVA SHAAREI TORAH

CREDIT BALANCE PROCEDURES

Procedures for handling credit balances for students at Yeshiva Shaarei Torah are as follows:

When Title IV awards that are credited to a student's tuition account exceed the student's tuition balance, a credit balance occurs, and the amount of the credit will be disbursed to the student .

The Yeshiva Shaarei Torah business office will issue a check to the student from the Yeshiva Shaarei Torah Bursar Account in the amount of the credit balance. These disbursements are made within fourteen days of the date that the credit balance occurs.
