Children entering 1st grade must have a Parent or Guardian attend with them at all times. Please be aware that some camps fill up early.

How to Register

Please register online for any Three Fires Day Camp at www.tfcdaycamps.org

Payments can be made online, at the Norris Scout Shop in St. Charles, or at the Naperville Scout Shop. The recommended best option is to pay by eCheck where you can use a personal check or unit check online at no charge and the transaction will be processed quickly.

There is no charge for parents to attend Day Camp. For any of the camps, there is no need to register with a unit. You may register as individuals and will be grouped with others from your Pack.

Camperships

We don't want to see any Scout miss a Day Camp opportunity due to financial need. Your unit or the Council can help with a Campership. A Campership can pay up to 50% of the Day Camp registration fee. The information and application can be found on the Council's website or by calling the Council Office at (630) 584-9250. Applications must be submitted by April 1st

Discounts

Early Bird Discount is given to all who register before April 15th. Prices quoted on brochures and fliers include the Early Bird Discount. Prices go up \$15 on April 16th and another \$15 on June 2nd.

Back For More Discounts are available for multiple weeks of camps. When you register for a 2nd week of camp, you will receive 25% off the early bird price for that week regardless of when you register. When you register for a 3rd and any additional weeks of camp, you will receive 35% off the early bird price for that week. You can send your children to camps all summer long! See the website for more information.

A Parent's Role In Camp

Parents do not need to attend Day Camp but are highly encouraged. Trained adult and youth staff are available at all of the Day Camps to work with campers to help them have fun and be safe.

ELKS Patrol (Early-Late KidS)

Day Camps will open at 7:00am and will stay open until 6:00pm to allow for families' busy schedules. When you register online, there is an option to select either Early Drop Off, Late Pick Up, or you may select both. Staff will supervise campers with play time before camp program begins and after camp program ends. Families who did not register for ELKS Patrol can still use the program by contacting the Camp Director and making a payment. After Camp care is not required on Fridays, as the program will be extended to 6 pm for all campers, at no charge. Contact Karen Ball with questions or concerns.

Before Camp (7:00-8:30am)	\$10/day	\$40/week
After Camp (3:45-6:00pm)	\$10/day	\$35/week
Before and After Camp	\$15/day	\$65/week

T-Shirt Orders

Each camper receives a camp t-shirt with their registration. Campers will pick up their t-shirt at first day check-in. Campers are expected to wear their t-shirt to camp every day as their camp uniform. In addition to emulating the spirit of uniforms in Scouting, camp t-shirts help us keep your kids safe. Additional youth and adult t-shirts can be ordered for \$15 in the online trading post through the registration link. T-shirts ordered will be picked up at the camp Trading Post. While there may be t-shirts available for purchase at the camp Trading Post, sizes are not guaranteed.

Parent Meetings

There will be Parent Meetings held in the spring before camps begin. Parents and leaders are encouraged to attend one of these meetings to get information, ask questions, and turn in required health forms. Organized units with completed camper rosters will be able to pick up camp t-shirts for their Packs. Dates and locations TBA and will be posted on the website.

What to Expect

Sign In and Sign Out

All Campers must be signed in and out daily by the adult dropping them off and picking them up from camp. Regular sign in and out is at the flagpole with the Den Guide. Please help us keep Campers safe!

Camper Absences

If a camper is going to miss a day of camp, please contact the Camp Director to let them know. There are no refunds for missed days of camp.

Campfire Fridays

On Campfire nights, families are invited to join us at camp for dinner. On Fridays, Campers stay and play at camp until closing at 5:45pm. At 6:00pm, Staff and families are invited to bring a dish to share and participate in a camp potluck, followed with a Campfire Program at 7:00pm. Please be sure to sign your child out at 6pm as the Camp Staff are no longer responsible for your child. Families are encouraged to bring siblings, grandparents, family and friends to join us for our potluck and campfire entertainment.

Water

Water jugs are available at each area of camp. Scouts are responsible for their own water bottle to use at each station. Make sure water bottles are marked with the Scout's name and pack number. Keeping the Scouts well hydrated at camp is a priority for staff and campers alike, as it keeps everyone happy and healthy.

Facilities

There are "Port-a-Potties" and hand sanitizing stations available. We ask every adult and scout to wash their hands before and after lunch to prevent possible allergic reactions between campers.

Adventure Sheets

You can download a list of the Cub Scout Adventures we complete each week from the website at www.tfcdayscamps.org. Adventure sheets are a checklist of all of the activities we have held through the week that apply to Cub Scout Adventure achievements. It is up to the parents and leaders to decide on which Adventures your Cub Scout has achieved during camp. Adventure Sheets will be available online when the camp season begins.

Adults are welcome to visit the Trading Post anytime during the camp sessions. The Trading Post will close before the campfire begins. Online Trading Post

New in 2018 will be an online Trading Post where families will be able to purchase select camp items from the comfort of your own home! Hat, Water Bottle and Bag Package

Our Camp Pack is back! You can once again purchase a Camp Pack for your Campers that include a themed hat and water bottle that come in a drawstring backpack. We strongly recommend parents to purchase this pack or be prepared to bring your own. Camp Packs can be pre-ordered at the Online Trading Post.

Patches

The 2018 Three Fires Council Day Camp patch will be a Pebble Patch, a customizable velcro patch. Campers, as part of their registration will be given the velcro backing, center patch, and 2 pebbles. Campers will have the opportunity to purchase additional pebbles in the Trading Post to complete their customizable patch to include their own activities and interests. Pebbles are sold only to those who have attended summer camp. If you are in need of pebbles after the camp season, please contact Aaron Vikemyr at programadmin@scouting.org for pebbles and/or patches. These are not available in the Scout Shops.

Each patch has 12 available openings for pebbles. Pebbles are \$0.50 each or \$4.50 for 10. Campers will be able to choose the 10 pebbles they would like to purchase to add to the 2 pebbles given to complete the patch. Patches will be given out on Mondays and the pebbles can be purchased at any time during the camp week.

Health Information

A trained Health Officer will be on site at all times during camp. All injuries, regardless of how small, must be reported to the Health Officer to ensure proper documentation and treatment. The Health Officer will need the camper's name, age, parent info, area the injury occurred, time it occurred, and what was done to treat it.

Annual BSA Health and Medical Record (Parts A and B)

Prior to coming to camp, this form must be filled out for **EVERY** person attending camp. This includes all adults, Scouts, and siblings coming to camp. **Only Parts A and B** must be completed for Day Camp. The newest version of this form **MUST** be used.

<http://www.scouting.org/scoutsource/HealthandSafety/ahmr.aspx>

If the Camp Director does not have a copy of the form before camp, please provide one on the first day of camp. This is a health and safety issue. These completed forms are kept confidential and are returned or shredded at the conclusion of camp.

Health Advisory and Accommodation Form

The Advisory Form for Campers is to be completed for youth participants that have severe health concerns that may limit their full participation or present safety issues. An example is if your child has a severe peanut allergy and requires special accommodations. Please complete and submit this form **at least two months prior to camp** to alert the Camp staff of the exact issues/needs. A member of the Council staff may contact the parent or guardian prior to camp to discuss any special accommodations.

<http://www.threefirescouncil.org/camping/cub-scout-summer-camps>

Medication

Any medication brought to camp must be logged in at the health headquarters by the Health Officer. Medication must be in the original labeled container with clear dosage instructions. Allergy kits, EpiPens, inhalers, and other instant self-administered medications will remain in the Scout's possession after it is logged in by the Health Officer. If medication requires refrigeration, you will need to provide an insulated cooler with ice. Clearly label it with the Scout's name and pack number. We can then keep it with the Health Officer.

Written permission is needed for another adult to supervise your child in taking medication.

Attending adults: Please bring your own headache or over the counter medication.

Emergency Information

Camp Emergencies

Staff, attending parents, and Campers will review emergency procedures at the beginning of each day of camp. In an emergency, a signal will sound and staff will follow guidelines and practiced procedures.

Lost Camper

In case of a lost camper, you will hear an emergency sound. At this point, everyone in camp should stop what they are doing, gather in a seated circle, and perform a name check on every person in the group, including adults. Once attendance is taken, campers can sing a song or play a game but we ask that they continue to stay seated until the Camp Director gives the all clear signal.

Weather

Every effort will be made, consistent with BSA's *Guide to Safe Scouting* guidelines, to offer a full outdoor program each day.

Rain without lightning and high winds - Camp will continue as planned. Campers should be prepared to continue camp in the rain.

Thunderstorms and Lightning- Campers will be sheltered until the weather passes. Camp does not usually close for rain and lightning. Camp will resume when the weather passes.

Potentially hazardous weather - Camp may be closed for the safety of everyone. Severe storms and threat of tornado will cause camp to close. This is a rare situation.

There are no plans for make-up days. We are sorry but refunds can't be made! If camp is closed, camp directors will first send a message through Remind, then will begin the task of contacting each registered parent through email and phone.

It is recommended to have an individual designated as your camp coordinator with phone numbers and email addresses. If camp is postponed or canceled due to weather, the camp coordinator will be contacted and they will contact all parents and leaders in your pack.

Please make sure campers are dressed appropriately for the weather!
