Rodney Ivie and Pioneer Day guests discuss the restoration work.

On-going Church Restoration

Rodney Ivie, Terry Nester, and Steve Winchel have continued to work on the new front porch. In this photo during Pioneer Day the 30-foot high ceiling is the topic of discussion. The old lath and plaster was removed and the interior looks much cleaner—ready for another phase in the difficult task of restoring the old church building.

Pioneer Day, 2013!

SCRFI's 6th annual Pioneer Day was again a success with good times for all while some fund-raising took place. The community really comes together to make this happen. We maintain that it's the "Best Small Town Gold Rush Festival in California." For more pictures see Part 2.

Our local Smartsville 4H kids make the best hot dogs and donate a portion of their profit to the church restoration efforts.
