All competitions require you to HOLD the entire weekend. The schedules are announced 7 days prior to the event and no changes can be made.

Everything listed is a requirement to participate in any of our companies. Please only audition for what you can commit to. No exceptions will be made.

Attendance policy: 3 absences per class per year. If your child is absent from ANY class 2 weeks prior to a competition or performance, PMDS has the right to remove your child from that competition or performance without a refund.

All company members are invited through an audition process in front of a panel of teachers. All teachers come to an agreement on every student's placement and no changes will be made by request.

Company jackets and class dress codes are mandatory. Each child gets one warning for class dress code. After their one warning they will be asked to watch class.

If your child is more than 10 minutes late they will not be able to participate as they have missed a proper warm up. All lateness and absences must be emailed in.
