A Note from Rick: We didn't have a lot of top quality Dairy heifers this week, but I thought what we did have sold well. We will have a much more accurate picture of the Springer market after the special sale on the 8th. We had an excellent run of cattle on the beef side. Unfortunately, the market was down again for beef this week. We are looking forward to our first Driving horse sale and planning for the Draft Horse sale in October. We have groups of lambs coming in to be sold in mid-September. There are a lot of great things happening at TLA and I hope people continue to come out and support it.
